

# Winnie-the-Pooh (1961).pdf/55

Exported from Wikisource on January 4, 2025

Shortness of Breath, and other matters of interest, and Pooh wondering what a Grandfather was like, and if perhaps this was Two Grandfathers they were after now, and, if so, whether he would be allowed to take one home and keep it, and what Christopher Robin would say. And still the tracks went on in front of them. . . .

Suddenly Winnie-the-Pooh stopped, and pointed excitedly in front him. "*Look!*"

"*What?*" said Piglet, with a jump. And then, to show that he hadn't been frightened, he jumped and down once or

twice in an exercising sort of way:

"The tracks!" said Pooh. "*A third animal has joined the other two!*"
