Schoology Parent Access Code : 71

To create your parent account for Schoology you will need your Schoology Parent Access Code. You can find this information in your HAC (Home Access Center) account.

The screenshot shows the Schoology website interface. At the top, there is a navigation bar with the Schoology logo and links for Tour, Stories, Connect, Resources, Blog, and About. On the right side of the navigation bar, there are buttons for LOG IN, SIGN UP, and REQUEST A DEMO. A dropdown menu is open under the SIGN UP button, showing options for Instructor, Student, and Parent. The main content area features a large heading "PowerSchool Is Here to Help" and a sub-heading "PowerSchool is doing everything we can to make it easier for districts to get up and running with distance learning." Below this is a "LEARN MORE" button. In the foreground, a modal window titled "Sign up for Schoology" is displayed, containing a text input field for "Access Code" and a "Continue" button. The modal also includes a "Back" button and a prompt: "Enter the access code provided by your child's instructor".

After you have your Schoology Parent Access Code, you will go to Schoology.com and sign-up for a parent account. When you click on parent you will be asked for the Access Code. Click continue and enter your personal information.
