Students and universities have relied on ACT scores for over 60 years. The ACT is accepted for admissions by most four-year universities and colleges in the United States, and **more than 300 universities around the world.**

The ACT writing test is optional and does not affect your Composite score.

Report your ACT Superscore! An average of your best individual subject scores from all ACT test attempts to become **your new, best score.**

The ACT science test is a component of the ACT STEM score, which indicates readiness for university courses. The STEM ranking is how your STEM score compares to other students' scores.

The ACT is offered no fewer than **28 times per year!** 7 weekends x 2 days x 2 sessions per day means more opportunities for you to take the ACT test.
