

Dear Gauntlet "I Beat Skorne" T-shirt recipient,

Thank you for playing our game Gauntlet Legends. We love the game around here and it's glad to know that players like it too!

It takes a lot of hard work to beat Skorne, so we wanted to reward those dedicated players who have the determination to stick it through to the end. Wear it with pride!

Because of the contest rules, players are only allowed to receive one free "I Beat Skorne" t-shirt each. All entries for duplicate names or similar names/addresses will not be honored. This is because we have a large demand for Gauntlet shirts and a very limited supply.

Thanks for your understanding, and keep enjoying Atari Games!
