Childnet

Online Safety Calendar
2024-2025

September

Download and print our FREE online safety posters for your classroom!

Begin the academic year with your new Year 7s by using our Moving On Up resource, helping them with starting secondary school.

Check out our Education Sessions for schools!

Why not deliver one of our Back to School Assemblies for 3-7 year olds and 7-11 year olds?

October

10th - Use our Screen Time and Healthy Balance quick activities this World Mental Health Day.

Celebrate, educate and inspire this Black History Month, exploring the theme of "Reclaiming Narratives." You can also use Childnet's poster and classroom activities.

Familiarise yourself with the Report Harmful Content platform.

November

13th - World Kindness Day! Promote kindness, and combat and educate about online hate, using our Talk it over resource.

11-15th - Anti-Bullying Week returns with the theme of "Choose Respect". Take a look at how you can get involved.

Register your school as a Safer Internet Day supporter, ahead of the big day on Tuesday 11th February 2025.

December

Send learners home for the Christmas break with our "Family Agreement" and "My Life Online" templates.

Have you signed up as a Safer Internet Day supporter yet? Remember to check out the free resources!

Ahead of the Christmas holidays, when your learners may receive new devices or games, use our All fun and games? learning activities.

January

Use our Help & Advice pages to help your learners set online safety resolutions.

Kick-start the new year with a new online safety topic. Why not choose from one of these resources?:
- ReelLife (the potential risks of social media)
- To stream or not to stream?
- Digital resilience

February

11th - Let's celebrate #SaferInternetDay!

For LGBTQ+ History Month, check out the resource we made with Stonewall, and our Championing Youth Voice poster to encourage conversations with your learners.

Remember that you can contact the Professionals Online Safety Helpline if online issues arise in your setting.

March

6th - World Book Day is a fantastic opportunity to use one of our story-based resources with your learners:
- Digiduck
- Smartie the Penguin
- Hanni and the Magic Window
- Connect with respect (SEND)

A month after Safer Internet Day, test your learners' knowledge using our quizzes.

April

1st - April Fool's Day is a great opportunity to use our Reliability Online resource.

2nd - On World Autism Awareness day, you may want to check out our resources designed specifically for learners with SEND:
- Thrive Online
- STAR Toolkit
- Connect with respect

May

1st - Discuss the importance of privacy and personal information this National Password Day.

This Mental Health Awareness Month, why not check out some of our other resources?
- SMART Video Lessons (6-9)
- Limiting harm from upsetting content (5-11)
- Just a joke? (9-12)
- Step Up, Speak up! (13-17)

June

Check out the blog on our website to see how you can encourage parents and carers to address online safety with their children over the summer holidays.

This Pride Month, display our Own Your Online Identity pride poster, and discuss how we can can support LGBTQ+ people online.

Get ready for the next academic year by booking a Childnet Education Session.

July

Remind learners and parents of where to go if they need help reporting online over the holiday, including on popular social media apps.

Before your well-deserved break, take a look at our Embedding online safety resource for new ideas for the new academic year.

A perfect send-off for your Year 6s would be using our Moving on Up resource, helping with the move to secondary education.

August

Take a look at how you can protect your reputation online with our resource.

Subscribe to the Childnet Newsletter for important news and resources throughout the year.

Remember to visit childnet.com for all of the latest online safety news as well as free resources on a range of issues!
