

CONTENT TRANSMISSION

Get the content you need,
cheaper and faster.

CNN buys tons of transmission and, as a Newsource affiliate, you get access to our low rates. And our staff is fast – if you need satellite or fiber time, just call us or book directly online.

Satellite Service

- Access our low rates:
 - 5MEG SD/MPEG-4 HD – \$5/min
 - 10MEG HD – \$8/min
- Easy one-stop booking and access services on SES-2 and SES-3
- Connectivity to VYVX and LTB terrestrial services
- Turnarounds of fiber to in-house satellite space with just one phone call
- SNG truck testing

newsource.ns.cnn.com

11 Live HD Signals

CNN Newsource offers 11 Live HD signals via LiveU or TVU. The signals consist of Newsource channels 1-5, plus two additional channels that are programmed separately and four international channels.

For signal access, please contact TVU and LiveU directly. TVU or LiveU hardware and a TVU Grid or LiveU Matrix subscription are required.

TVU	LiveU
650.440.4812	877.855.4838
tvunetworks.com	liveu.tv

Fiber Service

- Fiber rates vary based on type
- Bulk and group bookings are available at low rates, and this option includes movable windows and no cancellation fees
