## Come to our House Concert to hear

## **James Lee Stanley**

Friday, April 12, 2019 8:00 PM at the home of Brad and Bernita Myers

Charge: \$20.00 per person (All proceeds go to the performer)

James will be selling and autographing CDs at the concerts, so bring extra cash!

James has performed with Peter Tork from the Monkees and has many solo CDs. He has an amazing voice and is a very talented musician. James also has been a guest star on Deep Space 9, and often has the audience in tears with his very funny stories. We have had the pleasure of hosting a number of house concerts with him over the years.

If you've never been to a concert at someone's home, you can't imagine what a fun, intimate, and amazing experience it is!
