Eur Rev Med Pharmacol Sci 2023; 27 (11): 5119-5127–DOI: 10.26355/eurrev_202306_32628–PMID: 37318485, published online on June 13, 2023.

After publication, the authors have found some mistakes. This erratum corrects the following:

- In Figure 1, “4 withdrawal” has been corrected into “7 withdrawal” and “95 completed study” has been corrected into “97 corrected study”
- In the “Efficacy” paragraph at page 5123, “1.0 in the placebo group” has been corrected into “-1.0 in the placebo group”.
- The legend of Table V has been corrected as follows: Table V. Published clinical studies of the mucolytic and expectorant efficacy of IV NAC in respiratory diseases.
- In Table V, the data regarding the Treatment groups (duration) by Grassi et al⁵ have been corrected as follows:
 - NAC oral 200 mg TID
 - NAC IM 300 mg BID
 - NAC IV 500 mg OD (6 days)
- In Table V, the data regarding the Treatment groups (duration) by Henneghien et al⁸ have been corrected as follows:
 - NAC oral 200 mg TID
 - NAC IV 300 mg TID (3-10 days)
 - NAC IV 500 mg BID (12 days)
