

CADRE HARMONISÉ

TCHAD

POPULATIONS DÉPLACÉES (RÉFUGIÉS ET RETOURNÉS)

FR

Il est important de souligner que durant la session d'analyse du CH qui a eu lieu en Mars 2024, en plus de l'analyse de la population du Tchad, il a été également procédé à l'analyse des populations déplacées composées de réfugiés et de retournés réparties dans huit (08) provinces du pays : Ennedi Est, Lac, Logone Oriental, Moyen Chari, Ouaddaï, Salamat, Sila et Wadi Fira. Les résultats de cette analyse spéciale sont présentés dans les tableaux suivants et n'ont pas été pris en compte dans les chiffres d'estimation des populations du Tchad.

EN

It is important to emphasise that during the CH analysis session held in March 2024, in addition to the analysis of the population of Chad, an analysis was also carried out of the displaced populations made up of refugees and returnees in eight (08) of the country's provinces: Ennedi Est, Lac, Logone Oriental, Moyen Chari, Ouaddaï, Salamat, Sila and Wadi Fira. The results of this special analysis are presented in the following tables and have not been taken into account in the population estimates for Chad.
