

Columbia Accident Information Sources

Updated: September 15, 2003.

This bibliography lists resources for finding documents and reports related to the Columbia accident. For assistance in finding specific materials, contact the [Library](#). For restricted materials that have not been released, please contact the [NASA Freedom of Information Act office](#).

CAIB

Columbia Accident Investigation Board Report. Vol. 1. [cited 29 August 2003].<<http://www.nasa.gov/columbia/home/index.html>> or <<http://www.caib.us/news/report/default.html>>

Columbia Accident Investigation Board. [cited 29 August 2003].<<http://www.caib.us/>>

Columbia Documents Released by NASA FOIA Offices

NASA Headquarters. [Nearly comprehensive collection from the other NASA Centers.] [cited 29 August 2003].<<http://www.nasa.gov/columbia/foia/index.html>>

Ames Research Center. [cited 29 August 2003].<<http://amesnews.arc.nasa.gov/foia/archive/shuttledocs.html>>

Johnson Space Center. [cited 29 August 2003].<<http://www.jsc.nasa.gov/news/edocs.html>>

Kennedy Space Center. [cited 29 August 2003].<<http://www-foia.ksc.nasa.gov/readroom.htm>>

Langley Research Center. [cited 29 August 2003].<<http://foia.larc.nasa.gov/readroom.html>>

Marshall Space Flight Center. [cited 29 August 2003].<<http://www.msfc.nasa.gov/FOIA/reading.html>>

Investigation Documents

Columbia Accident Investigation Board - News. [Recommendations, graphics, briefings, and hearings.] [cited 29 August 2003]. <<http://www.caib.us/news/default.asp>>

Columbia - Media Resources. [Press releases, timelines, and graphics.] [cited 29 August 2003]. <<http://www.nasa.gov/columbia/media/index.html>>

House Committee on Science. U.S. Congress. [cited 29 August 2003]. <<http://www.house.gov/science/welcome.htm>>

Senate Committee on Commerce, Science & Transportation. U.S. Congress. [cited 29 August 2003]. <<http://commerce.senate.gov/>>

Space Shuttle Columbia - NASA Briefings. Kennedy Space Center. [cited 29 August 2003]. <<http://www.ksc.nasa.gov/columbia/>>

STS-107 Investigation Reference Page. [Status reports, imagery, and reference documents.] [cited 29 August 2003]. <<http://spaceflight.nasa.gov/shuttle/investigation/index.html>>

The STS-107 Mission

Human Space Flight - STS-107. [cited 29 August 2003]. <<http://spaceflight.nasa.gov/shuttle/>>

NASA Glenn and the Space Shuttle Mission STS-107. [cited 29 August 2003]. <<http://microgravity.grc.nasa.gov/sts-107/>>

Space Research and You: The STS-107 Research Mission. [cited 29 August 2003]. <<http://spaceresearch.nasa.gov/sts-107/index.html>>

General Shuttle Information

General Accounting Office. [Audits of the shuttle program and reports to Congress.] [cited 29 August 2003]. <<http://www.gao.gov/>>

History of the Space Shuttle. NASA History Office. [cited 29 August 2003]. <<http://history.nasa.gov/shuttlehistory.html>>

NASA Human Space Flight. [cited 29 August 2003]. <<http://spaceflight.nasa.gov/>>

NASA Office of Inspector General Reports. [Audits of shuttle safety and contracts.] [cited 29 August 2003]. <<http://www.hq.nasa.gov/office/oig/hq/>>

NASA Search. [cited 29 August 2003]. <<http://search.nasa.gov/nasasearch/search/advSearch.jsp>>

NASA Search. Space Link. [cited 29 August 2003]. <<http://search.spacelink.nasa.gov/index.html>>

NASA Technical Report Databases [cited 29 August 2003].

ASD (NASA only) <http://www2.sti.nasa.gov/login/grpnasa?product_id=WEBTOP>

ASD+ (NASA only, password required) <<http://nasaeronauticsspacedatabase.nasa.gov/>>

NTRS <<http://ntrs.nasa.gov/>>

NASA Technical Reports. [Ordering information.] [cited 29 August 2003].

<<http://www.sti.nasa.gov/>>

National Academy Press. [Independent assessments of the shuttle and other NASA programs.] [cited 29 August 2003]. <<http://www.nap.edu/>>

Accident Recovery Effort by Other Agencies

Louisiana: Loss of the Space Shuttle Columbia Emergency Declaration, February 1, 2003. Federal Emergency Management Agency. [cited 29 August 2003].

<<http://www.fema.gov/diz03/e3172.shtm>>

Response to the Columbia Space Shuttle Accident. Environmental Protection Agency. [cited 29 August 2003]. <<http://www.epa.gov/columbia/>>

Texas: Loss of the Space Shuttle Columbia Emergency Declaration, February 1, 2003. Federal Emergency Management Agency. [cited 29 August 2003].

<<http://www.fema.gov/diz03/e3171.shtm>>

Return to Flight

Return to Flight. Return to Flight Task Group. [cited 15 September 2003].

<<http://govinfo.library.unt.edu/returnflight/>>

Return to Flight. National Aeronautics and Space Administration. [cited 15 September 2003].
