

WHY LEADING RETAIL BRANDS CHOOSE POMEROY

1. EXPERIENCE AND REACH

Vast experience designing, deploying & managing retail solutions; today we support over 35,000 locations across the US

2. STORE TECHNOLOGIES

From procurement to refresh and asset disposition, comprehensive life cycle management across all store and back-office technologies

3. DEPLOYMENTS

Fully managed retail IT technology and application deployments; design, develop, integrate & testing to minimize in-store disruptions

4. WALL TO WALL SUPPORT

Comprehensive 24x7x365 store support to help clients focus more on retailing and less on IT

5. INNOVATIVE SELF SERVICE

Self Checkout, Kiosks, Convertible Lanes, Mobile Shopping & Curbside Pickup to enable customer convenience and engagement

6. APPLICATION SUPPORT

POS and mobile software development, integration, test, deploy, distribution and 24x7x365 L1 - L3 support

7. SECURITY & SURVEILLANCE

Deploy and manage PCI DSS compliant fixed, wireless, and mobile payment devices, AI video surveillance to reduce shrinkage

8. STORE CONNECTIVITY

Secure edge networking based upon SD-WAN, SASE and wireless to digitally enable customers and store associates

9. RETAIL IT STAFFING

Identify and deploy key personnel to support IT projects that are challenged by time and resources

We offer continuous, non-stop retailer care through our comprehensive life cycle services, from design to refresh
