## **PREFACE**

*This report presents the Village Directory 2016 which comprises the preliminary count of all villages and political districts in Samoa by male and female based on the census enumeration which was conducted from the 24<sup>th</sup> of October to the 7<sup>th</sup> of November 2016. The preliminary results have been tabulated based on the political districts and villages used in the last 5 years national election and we intend to use the new distribution of political districts and villages when we release the final count of the population in the nearest future.*

*We hope that this Village Directory 2016 will inform the public of the changes that are taking place in the population count of Samoa and how those changes will impact on social and economic developments in the villages and political districts.*

*We acknowledge with much appreciation the great contribution by the selected Census Enumerators in the collection of required information and especially the usual support provided by Ministry of Education, Sports and Culture through more than 1,000 teachers.*

*Ia viia le Atua i galuega lelei uma ua faatinoina ma le faamaoni.*
