IQAC is a senate body of the quality at the university level thus it need to focus on gap/lacunae to strategize or resolve the pertaining issues.

Suggestions by the External Member:

The external expert's comments are as follows:

- 1. Agenda of IQAC should reflect the strategic points and should be drafted in term of overall quality initiatives undertaken rather than presenting as per NAAC Criterion
- 2. The expert suggested that the Pass Percentage of all the programmes should specify whether it is calculated with including/excluding Backlog students
- 3. The expert suggested that Student satisfaction survey analysis and status of the current data to be included in IQAC agenda
- 4. Further, Expert suggested the focus should be on accumulating high impact and action research through Govt. and Non-Govt. agencies
