Disclosure of Identity of Holders: Under Law 13/1985, the Guarantor is obliged to disclose to the Spanish Tax and Supervisory Authorities the identity of Holders of the Instruments. It is expected that the Issuer, the Guarantor, the Issue and Paying Agent, the common depositary for the Instruments and the Clearing Systems (as defined in “Terms and Conditions of the Instruments”) will follow certain procedures to facilitate the collection of the above details from Holders. A summary of those procedures is set out in schedule 9 to the Issue and Paying Agency Agreement and should be read together with “Taxation and Disclosure of Information in Connection with Payments – The Kingdom of Spain”. Such procedures may be revised from time to time in accordance with applicable Spanish laws and regulations, further clarification from the Spanish tax authorities regarding such laws and regulations and the operational procedures of the Clearing Systems. Holders must seek their own advice to ensure that they comply with all applicable procedures and to ensure the correct tax treatment of their Instruments. None of the Issuer, the Guarantor, the Arranger, the Dealers, the Paying Agents, the Registrars and the Clearing Systems assume any responsibility therefor.

If any Clearing System is, in the future, unable or unwilling to assist with the collection of such information it may decline to clear the Instruments through such Clearing System and this may affect the liquidity of the Instruments. In such circumstances, Instruments which are represented by global Instruments will be exchanged for definitive Instruments (See “Terms and Conditions of the Instruments – Form and Denomination”).

Selling Restrictions:	For a description of certain restrictions on offers, sales and deliveries of Instruments and on the distribution of offering material under the laws of the United States of America, the United Kingdom, Japan and The Kingdom of Spain, see under “Subscription and Sale”. Additional restrictions may apply to each Series, as specified in the relevant Final Terms.
Ratings:	Tranches of Instruments may be rated or unrated and, if rated, such ratings will be specified in the relevant Final Terms. A rating is not a recommendation to buy, sell or hold Instruments and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
Redenomination and Exchangeability:	The relevant Final Terms will indicate whether the Issuer may elect that, with effect from the Redenomination Date, the Instruments of that Tranche (if the currency of such Tranche is not the Euro) shall be redenominated in Euro (if Redenomination is specified) or become exchangeable for Instruments denominated in Euro (if Exchangeability is specified).

Risk Factors

In addition to the other information contained in this Prospectus, prospective investors should carefully consider the risks described below before making any investment decisions. The risks described below are not the only ones that Telefónica faces. Additional risks not currently known to Telefónica or that Telefónica currently deem immaterial may also impair Telefónica business operations. Telefónica's business, financial condition or results of operations could be materially adversely affected by these risks, and investors could lose all or part of their investment.

Risks Related to Telefónica's Business

We endeavour to implement our business plans successfully, but factors beyond our control may prevent us from doing so, which could have a material adverse effect on our business.

Our ability to increase our revenues and maintain our position as a leading European and Latin American provider of advanced telecommunications and Internet services will depend in large part on the successful, timely and cost-effective implementation of our business plans.

Factors beyond our control that could affect the implementation and completion of our business plan include:

- difficulties in developing and introducing new technologies;
- declining prices for some of our services;
- the effect of increased competition;
- the effect of adverse economic trends in our principal markets;
- the effect of foreign exchange fluctuations on our results of operations;
- difficulties in obtaining applicable government, shareholder and other approvals;
- difficulties in entering into key contracts with third parties;
- our ability to establish and maintain strategic relationships;
- difficulties in integrating our acquired businesses;
- the effect of future acquisitions on our financial condition and results of operations;
- difficulties in securing the timely performance of independent contractors hired to engineer, design and construct portions of our network;
- the potential lack of attractive investment targets;
- difficulties in attracting and retaining highly skilled and qualified personnel;
- changes in regulations or the interpretation or enforcement thereof and other possible regulatory actions; and
- the effect of unanticipated network interruptions.

A material portion of our foreign operations and investments is located in Latin America, and we are therefore exposed to risks inherent in operating and investing in Latin America.

At 31 December 2005, approximately 51.2% of our assets were located in Latin America. In addition, approximately 41.5% of our revenue from operations for 2005 was derived from our Latin American operations. Our foreign operations and investments in Latin America are subject to various risks, including risks related to the following:

- government regulations and administrative policies may change quickly;
- currencies may be devalued or may depreciate or currency restrictions and other restraints on transfer of funds may be imposed;
- The effects of inflation and currency depreciation may require certain of our subsidiaries to undertake a mandatory recapitalization or commence dissolution proceedings;
- governments may expropriate assets;
- governments may impose burdensome taxes or tariffs;
- political changes may lead to changes in the business environments in which we operate;
- our operations are dependent on concessions and other agreements with existing governments; and

- economic downturns, political instability and civil disturbances may negatively affect our operations.

In addition, revenues from operations of our Latin American subsidiaries, their market value and the dividends and management fees expected to be received from them are exposed to material country risk as a result of adverse economic conditions in the region that may adversely affect demand, consumption and exchange rates.

Our financial condition and results of operations may be adversely affected if we do not effectively manage our exposure to foreign currency exchange and interest rate risk.

We are exposed to various types of market risk in the normal course of our business, including the impact of changes in foreign currency exchange rates, as well as the impact of changes in interest rates. We employ risk management strategies to manage this exposure, in part through the use of financial derivatives such as foreign currency forwards, currency swap agreements and interest rate swap agreements. In particular, in order to limit our exposure to Latin American currency exchange rate fluctuations, we use financial derivatives and other instruments. We also use derivatives and funding in foreign currencies in order to hedge our exposure to the Czech crown and pound Sterling, following our acquisitions of Cesky Telecom a.s. ("Cesky") and O2 plc ("O2"), respectively. If the financial derivatives market is not sufficiently liquid for our risk management purposes, or if we cannot enter into arrangements of the type and for the amounts necessary to limit our exposure to currency exchange rate fluctuations, such failure could adversely affect our financial condition and results of operations. Also, our other risk management strategies may not be successful, which could adversely affect our financial condition and results of operations.

We are exposed to increased liquidity and solvency risks following our acquisition of O2, thereby increasing our vulnerability to capital markets and business downturns, and reducing our strategic flexibility.

We financed our entire acquisition cost of O2 with £17.9 billion (approximately €26.4 billion calculated based on a Euro-Sterling exchange rate of €1.47 = £1.00 on 31 October 2005) of debt incurred under a credit facility. As a result, our leverage has increased, and our credit ratings have decreased following recent downgradings by the credit rating agencies. The credit facility has two tranches: one of which has a one-year maturity, which may be extended to two years and to two and a half years (with respect to 50% of the amount of such tranche); and the other which has a three-year maturity. Accordingly, we will be obligated to repay the entire principal amount of such debt within such period, unless we are able to refinance such debt with longer term debt. Although we have refinanced a portion of our outstanding borrowings under the credit facility through the issuance in January 2006 of approximately £4 billion aggregate principal amount of long-term bonds that mature in 2011, 2016, 2018 and 2026, and the issuance in June 2006 of \$5.25 billion aggregate principal amount of registered notes that mature in 2009, 2011, 2016 and 2036, we continue to have substantial refinancing needs. As of 30 June 2006, £11.19 billion (approximately €16.17 billion calculated based on a Euro-Sterling exchange rate of £0.6921 = €1.00 on 30 June 2006) was outstanding under these credit facilities. Additionally, on 21 April 2006, we formalised a syndicated loan denominated in Euros with 24 financial entities, amounting to 700 million Euros, not yet drawn, to be amortised on 21 April 2017, which may be made available until 31 July 2006.

If our business performance deteriorates significantly, we may not be able to repay the debt maturing in the next three years with generated free cash flow plus other committed credit lines, or issue long-term debt in an amount sufficient to refinance our outstanding debt as it matures. Additional credit ratings downgrades by the credit ratings agencies could limit substantially our ability to borrow long term debt in the capital markets and thus make it more difficult to refinance the outstanding amount under the facility or increase significantly our cost of funding.

Our goal to reduce our leverage over the coming years may diminish our ability to face competitive threats, take advantage of attractive acquisition opportunities or follow a strategy requiring substantial cash consumption. If our leverage reduction goal is not met, our lenders could seek to reduce their loans to us and may refrain from granting further credit.

The development of our business could be hindered if we fail to maintain satisfactory working relationships with our partners.

Some of our operations are conducted through joint ventures in which we own a significant, but less than controlling, ownership interest. For example, Brasilcel in Brazil, which is jointly controlled by Telefónica Móviles and Portugal Telecom, is conducted through a joint venture. As a result of

our less than controlling interest in these joint ventures, we do not have absolute control over the operations of the venture.

In addition, in some cases where we own a majority of the joint venture, we may be subject to provisions in shareholders' agreements restricting our ability to control the joint venture. The relevant corporate governance provisions vary from joint venture to joint venture and often depend upon the size of our investment relative to that of the other investors, our experience as a telecommunications operator in the relevant jurisdiction compared to that of the other investors and the preference or requirement of foreign governments that local owners hold an interest in licensed telecommunications operators. As a result, in these cases we must generally obtain the cooperation of our partners in order to implement and expand upon our business strategies and to finance and manage our operations.

The risk of disagreement or deadlock is inherent in jointly controlled entities, and there is the risk that decisions against our interests will be made and that we may not realize the expected benefits from our joint ventures, including economies of scale and opportunities to realize potential synergies and cost savings. In addition, our joint venture partners may choose not to continue their partnerships with us. Moreover, changes in control of our partners could affect our relationships with them and the management of the joint ventures.

The costs and difficulties of acquiring and integrating businesses could impede our future growth, adversely affect our competitiveness and adversely affect our results of operations.

We may enter into, and have recently consummated, acquisition transactions in order to, among other things, provide services in countries in which we do not currently have operations, take advantage of growth opportunities or enhance our product portfolio in a market where we currently have operations, as we have recently done. Such recent acquisitions include: Telefónica Móviles' acquisition of BellSouth's wireless operations in Latin America; the acquisition by Telefónica of Cesky in the Czech Republic; and the acquisition of the entire share capital of O2 by Telefónica in April 2006 pursuant to a cash tender offer.

These and our future acquisitions may expose us to certain risks, including the following:

- the difficulty of assimilating the operations, information technology systems and personnel of the acquired entities;
- the difficulty of operating in new countries in Europe where we have not previously had operations and where, for example, business practices may exist that are different from those in Spain and Latin America;
- the potential disruption to our ongoing business caused by senior management's focus on the acquisition;
- our failure to incorporate successfully licensed or acquired technology into our network and product offerings;
- the expected cost savings and any other synergies from an acquisition may take longer to realize than expected or may not be fully realized;
- the failure to maintain uniform standards, controls, procedures and policies; and
- the impairment of relationships with employees as a result of changes in management and ownership.

We cannot assure you that we will be successful in overcoming these risks, and our failure to overcome these risks could have a negative effect on our business, financial condition and results of operations.

We may be adversely affected by unanticipated network interruptions.

Unanticipated network interruptions as a result of system failures whether accidental or otherwise, including due to network, hardware or software failures, that affect the quality of, or cause an interruption in, our service could result in customer dissatisfaction, reduced revenues and traffic, and costly repairs and could harm our reputation. Although we carry business interruption insurance, our insurance policy may not provide coverage in amounts sufficient to compensate us for any losses we incur.

Risks Relating to Telefónica Industry

We face intense competition in most of our markets, which could result in decreases in current and potential customers, revenues and profitability.

We face significant competition in all of the markets in which we operate. Thus, we are subject to the effects of actions by our competitors in the markets where we have operations. Our competitors could:

- offer lower prices, more attractive discount plans or better services and features;
- develop and deploy more rapidly new or improved technologies, services and products;
- bundle offerings of one type of service with others;
- in the case of the wireless industry, subsidize handset procurement; or
- expand and enhance more rapidly their networks.

Furthermore, some of our competitors in certain markets have, and some potential competitors may enjoy, competitive advantages, including the following:

- greater name recognition;
- greater financial, technical, marketing and other resources;
- larger customer bases; and
- well-established relationships with current and potential customers.

To compete effectively with our competitors, we will need to market successfully our services and anticipate and respond to various competitive factors affecting the relevant markets, such as the introduction of new products and services by our competitors, pricing strategies adopted by our competitors, changes in consumer preferences and general economic, political and social conditions. If we are unable to compete effectively with our competitors, it could result in price reductions, lower revenues, under-utilisation of our services, reduced operating margins and loss of market share.

We operate in a highly regulated industry and could become subject to more burdensome regulation, which could adversely affect our businesses.

As a multinational telecommunications company, we are subject to different laws and regulations in each of the jurisdictions in which we provide services. Furthermore, the licensing, construction, operation and interconnection arrangements of our communications systems are regulated to varying degrees by national, state, regional, local and supranational authorities, such as the European Union. These authorities could adopt regulations or take other actions that could adversely affect us and our companies, including revocation of any of our licenses or concessions to offer services in a particular market, failure to renew a license or concession, modification of the terms of a license or concession or the granting of new licenses or concessions to competitors, changes in the regulation of international roaming prices and mobile termination rates, introduction of virtual mobile operators and regulation of mobile data services. Increased or significant changes in the regulation of the activities of our operating companies, including the regulation of rates that may be charged to customers for services, could have a material adverse effect on our business, financial condition and results of operations.

Regulatory policies applicable in many of the countries in which we operate generally favour increased competition in most of our market segments, especially in the fixed line and wireless service industries, including by granting new licenses in existing licensed territories in order to permit the entry of new competitors. These regulatory policies are likely to have the effect, over time, of reducing our market share in the relevant markets in which we operate. In addition, because we hold leading market shares in many of the countries in which we operate, we could face regulatory actions by national or, in Europe, European Union antitrust or competition authorities if it is determined that we have prevented, restricted or distorted competition. These authorities could prohibit us from making further acquisitions or continuing to engage in particular practices or impose fines or other penalties on us, which, if significant, could harm our financial performance and future growth.

We operate under license and concession contracts.

Most of our operating companies require licenses or concessions from the governmental authorities of the countries in which they operate. These licenses and concessions specify the types of services

permitted to be offered by our operating companies. The continued existence and terms of our licenses and concessions are subject to review by regulatory authorities in each country and to interpretation, modification or termination by these authorities. The terms of these licenses granted to our operating companies and conditions of the license renewal vary from country to country. Although license renewal is not usually guaranteed, most licenses do address the renewal process and terms, which we believe we will be able to satisfy. As licenses approach the end of their terms, we intend to pursue their renewal as provided by each of the license agreements.

Many of these licenses and concessions are revocable for public interest reasons. The rules of some of the regulatory authorities with jurisdiction over our operating companies require us to meet specified network build-out requirements and schedules. In particular, our existing licenses and concessions typically require that we satisfy certain obligations, including minimum specified quality, service and coverage conditions and capital investment. Failure to comply with these obligations could result in the imposition of fines or revocation or forfeiture of the license for the relevant area. In addition, the need to meet scheduled deadlines may require our companies to expend more resources than otherwise budgeted for a particular network build-out.

The industry in which we operate is subject to rapid technological changes, and if we are unable to adapt to such changes our ability to provide competitive services could be materially adversely affected.

The telecommunications industry is affected by rapid technological change. Our future success depends, in part, on our ability to anticipate and adapt in a timely manner to technological changes. We expect that new products and technologies will emerge and that existing products and technologies will further develop. These new products and technologies may reduce the prices for our services or they may be superior to, and render obsolete, the products and services we offer and the technologies we use, and may consequently reduce the revenues generated by our products and services and require investment in new technology. Our most significant competitors in the future may be new entrants to our markets who are not burdened by an installed base of older equipment. In addition, we may be subject to competition in the future from other companies that are not subject to regulation as a result of the convergence of telecommunications technologies. As a result, it may be very expensive for us to upgrade our products and technology in order to continue to compete effectively with new or existing competitors. Such increased costs could adversely affect our business, financial condition and results of operations.

Our business depends on the upgrading of our existing networks.

We must continue to upgrade our existing wireless and fixed line networks in a timely and satisfactory manner in order to retain and expand our customer base in each of our markets, to enhance our financial performance and to satisfy regulatory requirements. Among other things, we could be required to:

- upgrade the functionality of our networks to permit increased customization of services;
- increase coverage in some of our markets;
- expand and maintain customer service, network management and administrative systems; and
- upgrade older systems and networks to adapt them to new technologies.

Many of these tasks are not entirely under our control and may be affected by applicable regulation. If we fail to execute them successfully, our services and products may be less attractive to new customers and we may lose existing customers to our competitors, which would adversely affect our business, financial condition and results of operations.

Our business could be adversely affected if our suppliers fail to provide necessary equipment and services on a timely basis.

We depend upon a small number of major suppliers for essential products and services, mainly network infrastructure. These suppliers may, among other things, extend delivery times, raise prices and limit supply due to their own shortages and business requirements. If these suppliers fail to deliver products and services on a timely basis, our business and results of operations could be negatively affected. Similarly, interruptions in the supply of telecommunications equipment for our networks could impede network development and expansion, which in some cases could adversely affect our ability to satisfy our license requirements.

The wireless industry may be harmed by reports suggesting that radio frequency emissions cause health problems.

Media and other reports have suggested that radio frequency emissions from wireless handsets and base stations may cause health problems. If consumers harbor health-related concerns, they may be discouraged from using wireless handsets. While we are not aware that such health risks have been substantiated, there can be no assurance that these concerns could have an adverse effect on the wireless communications industry and, possibly, expose wireless providers, including us, to litigation. Even if the authorised health institutions confirm there is no scientific evidence of adverse health effects, we cannot assure you that further medical research and studies will refute a link between the radio frequency emissions of wireless handsets and base stations and these health concerns.

Government authorities could increase regulation of wireless handsets and base stations as a result of these health concerns and wireless companies, including Telefónica Móviles and O2, could be held liable for costs or damages associated with these concerns, which could have an adverse effect on our business, financial condition and results of operations. In Spain, for example, Telefónica Móviles was required by law to test and certify the emissions of all its base stations in or close to populated areas. For the year ended 31 December 2005, such tests have again confirmed lower emission levels than those required by Royal Decree 1066/2001, which approves the regulation and which establishes the conditions for the protection of the public spectrum domain, restrictions for radio frequency emissions and measures for protection against radio frequency emissions. If in the future Telefónica Móviles fails to comply fully with these standards, it could be subject to claims or regulatory actions.

Risks Relating to Withholding

Under Spanish law, income in respect of Instruments issued by the Issuer will be subject to withholding tax in Spain, currently at the rate of 15 per cent. (expected to increase to 18 per cent. on 1 January 2007), in relation to payments to (a) individual Holders (as defined herein) who are resident in Spain; (b) Holders who receive payments through a Tax Haven (as defined in Royal Decree 1080/1991, of 5 July, as amended from time to time); and (c) Holders in respect of whom the Issuer or the Guarantor does not receive such information (which may include a tax residence certificate) concerning such Holder's identity and tax residence as it may require in order to comply with Law 13/1985 and any implementing legislation. Neither the Issuer nor the Guarantor will gross up payments in respect of any such withholding tax in any of the above cases (See "Terms and Conditions of the Instruments – Taxation" and "Taxation and Disclosure of Information in Connection with Payments").

Despite the Issuer's and the Guarantor's opinion that the Instruments are not placed in Spain (on the basis that there will be no public offer into Spain, as contemplated in "Subscription and Sale – The Kingdom of Spain") for the purposes of the exemption from withholding tax on payments to Spanish corporate Holders (as described in "Taxation and Disclosure of Information in Connection with Payments – 2. Legal Entities with Tax Residency in Spain"), the Spanish tax authorities may determine that a Tranche of Instruments has been placed in Spain and that the exemption referred to above does not apply to such Instruments. If such determination were made, under "Terms and Conditions of the Instruments – Taxation" paragraph (iii), the Issuer would be required to make a withholding at the applicable rate, currently 15 per cent. (expected to increase to 18 per cent. on 1 January 2007), on payments of interest under the Instruments and no additional amounts will be payable by the Issuer or the Guarantor in such circumstances.

Risks Relating to Procedures for Collection of Holders' Details

It is expected that the Issuer, the Guarantor, the Issue and Paying Agent, the common depository for the Instruments and the Clearing Systems will follow certain procedures to facilitate the collection from Holders of the information referred to in paragraph (c) of "Risks Relating to Withholding" above. A summary of those procedures is set out in schedule 9 to the Issue and Paying Agency Agreement and should be read together with "Taxation and Disclosure of Information in Connection with Payments". Such procedures may be revised from time to time in accordance with applicable Spanish laws and regulations, further clarification from the Spanish tax authorities regarding such laws and regulations and the operational procedures of the Clearing Systems. Holders must seek their own advice to ensure that they comply with all applicable procedures and to ensure the correct tax treatment of their Instruments. None of the Issuer, the Guarantor, the Arranger, the Dealers, the Paying Agents, the Registrars and the Clearing Systems assume any responsibility therefor.

If any Clearing System is, in the future, unable or unwilling to assist with the collection of such information it may decline to clear the Instruments through such Clearing System and this may affect the liquidity of the Instruments. In such circumstances, Instruments which are represented by global Instruments will be exchanged for definitive Instruments (See “Terms and Conditions of the Instruments – Form and Denomination”).

Risks Relating to the Comisario

Under Spanish law, the Issuer is required to appoint a commissioner (comisario) (the “Commissioner”) in relation to the Instruments. The Commissioner owes certain obligations to the Syndicate of Holders (as described in “The Regulations”). However, prospective investors should note that the Commissioner will be an individual appointed by the Issuer and that such individual may also be an employee or officer of the Issuer or the Guarantor.

Risks Relating to the Insolvency Law

Certain provisions of the Insolvency Law could affect the ranking of the Instruments on an insolvency of the Issuer or the Guarantor. In particular, there is uncertainty surrounding the interpretation of article 87.6 of the Insolvency Law, which may result in claims against the Issuer under the Senior Instruments or the Subordinated Instruments being re-classified as claims of creditors related to the Issuer as defined in article 92 of the Insolvency Law. However, if such claims were re-classified as described above the payment obligations of the Guarantor under the Guarantee in relation to Senior Instruments would continue to be classified as ordinary debts and the payment obligations of the Guarantor under the Guarantee in relation to Subordinated Instruments would continue to be classified as contractually subordinated debt under article 92 of the Insolvency Law.

Risk Relating To The Instruments

There is no active trading market for the Instruments

Instruments issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Instruments which is already issued). If the Instruments are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer and the Guarantor. Although applications have been made for the Instruments issued under the Programme to be admitted to listing on the Official List of the UK Listing Authority and to trading on the Gilt-Edged and Fixed Interest Market of the London Stock Exchange, there is no assurance that such applications will be accepted, that any particular Tranche of Instruments will be so admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Instruments.

The Instruments may be redeemed prior to maturity

If in the case of any particular Tranche of Instruments the relevant Final Terms specifies that the Instruments are redeemable at the Issuer’s option in certain other circumstances the Issuer may choose to redeem the Instruments at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Instruments.

Because Instruments in global form are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer and/or the Guarantor

Instruments issued under the Programme may be represented by one or more global Instruments. Such global Instruments will be deposited with a common depository for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant global Instrument, investors will not be entitled to receive definitive Instruments. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the global Instruments. While the

Instruments are represented by one or more global Instruments, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Instruments are represented by one or more global Instruments the Issuer and the Guarantor will discharge their payment obligations under the Instruments by making payments to the common depository for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a global Instrument must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Instruments. The Issuer and the Guarantor have no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the global Instruments.

Holders of beneficial interests in the global Instruments will not have a direct right to vote in respect of the relevant Instruments. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the global Instruments will not have a direct right under the global Instruments to take enforcement action against the Issuer or the Guarantor in the event of a default under the relevant Instruments but will have to rely upon their rights under the Deed of Covenant.

Risks related to denominations

Instruments admitted to trading on a regulated market or publicly offered may be issued in a minimum denomination of €50,000 or more (or, if the Instruments are denominated in a currency other than Euro, the equivalent amount in such currency or such higher amount) (the “**Minimum Denomination**”). The applicable Final Terms may provide that, for so long as the Instruments are represented by a global Instrument and Euroclear and Clearstream, Luxembourg so permit, the Instruments may be tradeable in minimum nominal amounts of the Minimum Denomination and integral multiples of an amount lower than the Minimum Denomination (the “**Integral Multiple**”) thereafter. However, if definitive Instruments are required to be issued in accordance with the terms of the Temporary Global Instrument or Permanent Global Instrument (as defined in “Terms and Conditions of the Instruments – Form and Denomination”), they will only be printed and issued in the Minimum Denomination. In these circumstances, a holder of Instruments holding Instruments having a nominal amount which cannot be represented by a definitive Instrument in the Minimum Denomination will not be able to receive a definitive Instrument in respect of such Instruments and will not be able to receive interest or principal or be entitled to vote in respect of such Instruments.

Other Risks

We face risks associated with litigation.

We are party to lawsuits and other legal proceedings in the ordinary course of our business. An adverse outcome in, or any settlement of, these or other lawsuits (including any that may be asserted in the future) could result in significant costs to us. In addition, our senior management may be required to devote substantial time to these lawsuits which they could otherwise devote to our business.

Terms and Conditions of the Instruments

The following are the Terms and Conditions of the Instruments which, as supplemented, modified or replaced in relation to any Instruments by Part A of the relevant Final Terms, will be applicable to each Series of Instruments, provided that text contained herein in italics is included for information and shall not form part of the Terms and Conditions:

The Instruments of each Tranche are constituted by a public deed of issuance (the “**Public Deed of Issuance**”) to be executed before a Spanish notary public and to be registered with the Mercantile Registry of Madrid on or prior to the issue date, and which shall contain, among other information, the terms and conditions of the Instruments. The Instruments are issued pursuant to and in accordance with an amended and restated issue and paying agency agreement (as amended, supplemented, restated or replaced from time to time, the “**Issue and Paying Agency Agreement**”) dated 5 July 2006 and made between Telefónica Emisiones S.A.U. (the “**Issuer**”), Telefónica, S.A. (the “**Guarantor**”), JPMorgan Chase Bank, N.A. in its capacities as Issue and Paying Agent (the “**Issue and Paying Agent**”, which expression shall include any successor to JPMorgan Chase Bank, N.A. in its capacity as such) and as principal registrar (the “**Principal Registrar**”, which expression shall include any successor to JPMorgan Chase Bank, N.A. in its capacity as such), J.P. Morgan Bank Luxembourg S.A. in its capacity as alternative registrar (the “**Alternative registrar**”, which expression shall include any successor to J.P. Morgan Bank Luxembourg S.A. in its capacity as such) and the paying agents named therein (the “**Paying Agents**”, which expression shall include the Issue and Paying Agent and any substitute or additional paying agents appointed in accordance with the Issue and Paying Agency Agreement). The Instruments have the benefit of a deed of covenant (the “**Deed of Covenant**”) dated 5 July 2006 and executed by the Issuer in relation to the Instruments and a deed of guarantee (the “**Guarantee**”) dated 5 July 2006, executed by the Guarantor in favour of, *inter alia*, the Holders (as defined below). Copies of the Issue and Paying Agency Agreement, the Deed of Covenant and the Deed of Guarantee are available for inspection during normal business hours at the specified office of each of the Paying Agents, the Principal Registrar and the Alternative registrar. All persons from time to time entitled to the benefit of obligations under any Instruments shall be deemed to have notice of, and shall be bound by, all of the provisions of the Issue and Paying Agency Agreement and the Deed of Covenant insofar as they relate to the relevant Instruments.

The Instruments are issued in series (each, a “**Series**”), and each Series may comprise one or more tranches (“**Tranches**” and each, a “**Tranche**”) of Instruments. Each Tranche will be the subject of final terms (each, “**Final Terms**”), a copy of which will be available for inspection during normal business hours at the specified office of the Issue and Paying Agent and/or, as the case may be, the Registrar (as defined in Condition 2.02). References in these Terms and Conditions to Instruments are to Instruments of the relevant Series and any references to Coupons (as defined in Condition 1.06) and Receipts (as defined in Condition 1.07) are to Coupons and Receipts relating to Instruments of the relevant Series.

References in these Terms and Conditions to the Final Terms are to the Final Terms prepared in relation to the Instruments of the relevant Tranche or Series.

For so long as any of the Instruments is represented by a Permanent Global Instrument or Temporary Global Instrument (as defined below) held on behalf of Euroclear Bank S.A./N.V., as operator of the Euroclear System (Euroclear) and/or Clearstream Banking, société anonyme (Clearstream, Luxembourg) (the “**Clearing Systems**”) each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Instruments (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Instruments standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor and the Paying Agents as the holder of such nominal amount of such Instruments for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Instruments, for which purpose the bearer of the relevant Bearer Instrument in global form or the registered holder of the relevant Registered Instrument in global form shall be treated by the Issuer, the Guarantor and any Paying Agent as the holder of such nominal amount of such Instruments in accordance with and subject to the terms of the relevant Temporary Global Instrument or Permanent Global Instrument and the expression Holder and related expressions shall be construed accordingly.

In respect of any Instruments, references herein to these Terms and Conditions are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by the Final Terms.

1. Form and Denomination

1.01 Instruments are issued in bearer form (“**Bearer Instruments**”) or in registered form (“**Registered Instruments**”), as specified in the Final Terms, and are serially numbered. Registered Instruments will not be exchangeable for Bearer Instruments unless the Final Terms specifies otherwise.

Bearer Instruments

1.02 The Final Terms shall specify whether U.S. Treasury Regulation § 1.163-5(c)(2)(i)(D) (the “**TEFRA D Rules**”) or U.S. Treasury Regulation § 1.163-5(c)(2)(i)(C) (the “**TEFRA C Rules**”) shall apply. Each Tranche of Bearer Instruments is represented upon issue by a temporary global Instrument (a “**Temporary Global Instrument**”), unless the Final Terms specifies otherwise or the TEFRA C Rules apply.

Where the Final Terms applicable to a Tranche of Bearer Instruments specifies that the TEFRA C Rules apply, such Tranche is (unless otherwise specified in the Final Terms) represented upon issue by a permanent global Instrument (a “**Permanent Global Instrument**”).

Interests in the Temporary Global Instrument may be exchanged for:

- (i) interests in a Permanent Global Instrument; or
- (ii) if so specified in the Final Terms, definitive instruments in bearer form (“**Definitive Instruments**”) and/or (in the case of a Series comprising both Bearer Instruments and Registered Instruments and if so specified in the Final Terms) Registered Instruments.

Exchanges of interests in a Temporary Global Instrument for Definitive Instruments or, as the case may be, a Permanent Global Instrument, will be made only on or after the Exchange Date (as specified in the Final Terms) and (unless the Final Terms specifies that the TEFRA C Rules are applicable to the Instruments) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system for whose account the Temporary Global Instrument is held) has been received. An exchange for Registered Instruments will be made at any time or from such date as may be specified in the Final Terms, in each case, without any requirement for certification.

1.03 The bearer of any Temporary Global Instrument shall not (unless, upon due presentation of such Temporary Global Instrument for exchange (in whole but not in part only) for a Permanent Global Instrument or for delivery of Definitive Instruments and/or Registered Instruments, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Instruments represented by such Temporary Global Instrument which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

1.04 Unless the Final Terms specifies that the TEFRA C Rules are applicable to the Instruments and subject to Condition 1.03, if any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system for whose account the Temporary Global Instrument is held) has been received by Euroclear or Clearstream Luxembourg or any such other relevant clearing system. Payments of amounts due in respect of a Permanent Global Instrument or (subject to Condition 1.03) a Temporary Global Instrument (if the Final Terms specifies that the TEFRA C Rules are applicable to the Instruments) will be made through Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.

1.05 Interests in a Permanent Global Instrument will be exchanged by the Issuer in whole but not in part only for Definitive Instruments and/or (in the case of a Series comprising both Bearer and Registered Instruments and if so specified in the Final Terms) Registered Instruments, (a) if an Event of Default (as defined in Condition 7.01) occurs in respect of any Instrument of the relevant

Series; or (b) if any of Euroclear, Clearstream, Luxembourg and any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays), announces an intention to cease business permanently or in fact does so or announces its intention to withdraw its acceptance of the Instruments for clearance and settlement through its system or in fact does so; or (c) if so specified in the Final Terms, at the option of the Holder of such Permanent Global Instrument upon such Holder's request, in all cases at the cost and expense of the Issuer. In order to exercise the option contained in (c) of the preceding sentence, the Holder must, not less than 45 days before the date upon which the delivery of such Definitive Instruments and/or Registered Instruments is required, deposit the relevant Permanent Global Instrument with the Issue and Paying Agent at its specified office with the form of exchange notice endorsed thereon duly completed. If the Issuer does not make the required delivery of Definitive Instruments and/or Registered Instruments by 6.00 p.m. (London time) on the day on which the relevant notice period expires or, as the case may be, the thirtieth day after the day on which such Permanent Global Instrument becomes due to be exchanged and, in the case of (a) above, such Instrument is not duly redeemed (or the funds required for such redemption are not available to the Issue and Paying Agent for the purposes of effecting such redemption and remain available for such purpose) by 6.00 p.m. (London time) on the thirtieth day after the day at which such Instrument became immediately redeemable such Permanent Global Instrument will become void in accordance with its terms but without prejudice to the rights conferred by the Deed of Covenant.

1.06 Interest-bearing Definitive Instruments have attached thereto at the time of their initial delivery coupons ("**Coupons**"), presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Interest-bearing Definitive Instruments, if so specified in the Final Terms, have attached thereto at the time of their initial delivery a talon ("**Talon**") for further coupons and the expression "Coupons" shall, where the context so requires, include Talons.

1.07 Instruments, the principal amount of which is repayable by instalments ("**Instalment Instruments**") which are Definitive Instruments, have endorsed thereon a grid for recording the repayment of principal or, if so specified in the Final Terms, have attached thereto at the time of their initial delivery, payment receipts ("**Receipts**") in respect of the instalments of principal.

Denomination

Denomination of Bearer Instruments

1.08 Bearer Instruments are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Final Terms (subject to a minimum denomination of Euro 50,000 (or, if the Instruments are denominated in a currency other than Euro, the equivalent amount in such currency at the date of issue)). Bearer Instruments of one denomination may not be exchanged for Bearer Instruments of any other denomination.

However, for so long as the Instruments are represented by a global Instrument and Euroclear and Clearstream, Luxembourg so permit, the Instruments shall be tradeable in minimum principal amounts of €50,000 and integral multiples of €1,000 thereafter. In the event that Condition 1.05(c) is stated in the relevant Final Terms as being applicable, the Clearing Systems will not permit trades other than in the denominations specified in the Final Terms or in integral multiples thereof.

Denomination of Registered Instruments

1.09 Registered Instruments are in the minimum denomination specified in the Final Terms (subject to a minimum denomination of Euro 50,000 (or, if the Instruments are denominated in a currency other than Euro, the equivalent amount in such currency at the date of issue)) or integral multiples thereof.

However, for so long as the Instruments are represented by a global Instrument and Euroclear and Clearstream, Luxembourg so permit, the Instruments shall be tradeable in minimum principal amounts of €50,000 and integral multiples of €1,000 thereafter.

Currency of Instruments

1.10 The Instruments are denominated in such currency as may be specified in the Final Terms. Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

Partly Paid Instruments

1.11 Instruments may be issued on a partly paid basis (“**Partly Paid Instruments**”) if so specified in the Final Terms. The subscription moneys therefor shall be paid in such number of instalments (“**Partly Paid Instalments**”), in such amounts, on such dates and in such manner as may be specified in the Final Terms. The first such instalment shall be due and payable on the date of issue of the Instruments. For the purposes of these Terms and Conditions, in respect of any Partly Paid Instrument, “**Paid Up Amount**” means the aggregate amount of all Partly Paid Instalments in respect thereof as shall have fallen due and been paid up in full in accordance with the Terms and Conditions.

2. Title and Transfer

2.01 Title to Bearer Instruments, Receipts and Coupons passes by delivery. References herein to the “**Holders**” of Bearer Instruments or of Receipts or Coupons are to the bearers of such Bearer Instruments or such Receipts or Coupons and shall, in relation to Instruments represented by a Temporary Global Instrument or Permanent Global Instrument, be construed as provided above.

2.02 Title to Registered Instruments passes by registration in the register which shall be kept by the Registrar pursuant to the Issue and Paying Agency Agreement. For the purposes of these Terms and Conditions, “**Registrar**” means, in relation to any Series comprising Registered Instruments, the Principal Registrar or, as the case may be, the Alternative registrar, as specified in the Final Terms, provided always that where such Series is listed on the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so require, “**Registrar**” shall mean the Registrar with its specified office in Luxembourg. References herein to the “**Holders**” of Registered Instruments are to the persons in whose names such Registered Instruments are so registered in the relevant register.

2.03 The Holder of any Bearer Instrument, Coupon or Registered Instrument will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

Transfer of Registered Instruments and exchange of Bearer Instruments for Registered Instruments

2.04 A Registered Instrument may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the Final Terms) upon the surrender of the Registered Instrument to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar. A new Registered Instrument will be issued to the transferee and, in the case of a transfer of part only of a Registered Instrument, a new Registered Instrument in respect of the balance not transferred will be issued to the transferor.

2.05 If so specified in the Final Terms, the Holder of Bearer Instruments may exchange the same for the same aggregate principal amount of Registered Instruments upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Instrument for a Registered Instrument, the Holder thereof shall surrender such Bearer Instrument at the specified office outside the United States of the Issue and Paying Agent or of the Registrar together with a written request for the exchange. Each Bearer Instrument so surrendered must be accompanied by all unmatured Receipts and Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 2.06) where the exchange date would, but for the provisions of Condition 2.06, occur between the Record Date (as defined in Condition 9B.03) for such payment of interest and the date on which such payment of interest falls due.

2.06 Each new Registered Instrument to be issued upon the transfer of a Registered Instrument or the exchange of a Bearer Instrument for a Registered Instrument will, within three Relevant Banking Days of the transfer date or, as the case may be, the exchange date be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such exchange or transfer be mailed (by uninsured post at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer or request for exchange received by the Registrar or the Issue and Paying Agent

after the Record Date in respect of any payment due in respect of Registered Instruments shall be deemed not to be effectively received by the Registrar or the Issue and Paying Agent until the day following the due date for such payment.

For the purposes of these Terms and Conditions,

- (i) “**Relevant Banking Day**” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Instrument for a Registered Instrument where such request for exchange is made to the Issue and Paying Agent, in the place where the specified office of the Issue and Paying Agent is located;
- (ii) the “**exchange date**” shall be the Relevant Banking Day following the day on which the relevant Bearer Instrument shall have been surrendered for exchange in accordance with Condition 2.05; and
- (iii) the “**transfer date**” shall be the Relevant Banking Day following the day on which the relevant Registered Instrument shall have been surrendered for transfer in accordance with Condition 2.04.

2.07 The issue of new Registered Instruments on transfer or on the exchange of Bearer Instruments for Registered Instruments will be effected without charge by or on behalf of the Issuer, the Issue and Paying Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Issue and Paying Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.08 No Holder may require the transfer of a Registered Instrument to be registered or a Temporary Global Instrument or, as the case may be, Permanent Global Instrument to be exchanged for a Registered Instrument (i) during the period of 15 days ending on the due date for redemption of that Instrument; (ii) during the period of 15 days prior to any date on which Instruments may be redeemed by the Issuer at its option pursuant to Condition 6.03 or (iii) after any such Instrument has been drawn for redemption in whole or in part.

3. Status of the Instruments and the Guarantee

3A Status – Unsubordinated Instruments

3A.01 This Condition 3A is applicable in relation to Instruments specified in the Final Terms as being unsubordinated or not specified as being subordinated (“**Unsubordinated Instruments**”).

3A.02 The Instruments constitute direct, unconditional and (subject to the provisions of Condition 4) unsecured obligations of the Issuer and (unless they qualify by law as subordinated debts under article 92 of Law 22/2003 (*Ley Concursal*) dated 9 July 2003 (the “**Insolvency Law**”)) in the event of insolvency (*concurso*) of the Issuer) will at all times rank *pari passu* without any preference among themselves and with all other outstanding unsecured and unsubordinated obligations of the Issuer, present and future, except for such payment obligations that are preferred by law under Articles 84, 90 and 91 of the Insolvency Law.

3B Status – Subordinated Instruments

Instruments may be issued on a subordinated basis (“**Subordinated Instruments**”), as specified in the Final Terms.

The Subordinated Instruments constitute direct, unsecured and subordinated obligations of the Issuer and will at all times rank *pari passu* among themselves and *pari passu* with all other present and future subordinated obligations of the Issuer, except for certain subordinated obligations prescribed by law and subordinated obligations which are expressed to rank junior to the Subordinated Instruments.

In the event of insolvency (concurso) of the Issuer, under the Insolvency Law claims of Holders of Subordinated Instruments will fall within the category of “subordinated debts” (créditos subordinados, as defined in the Insolvency Law). After payment in full of all unsubordinated claims but before distributions to shareholders, under article 92 of the Insolvency Law, the Issuer will be required to meet subordinated debts in the following order and pro rata within each class: (i) late or incorrect claims; (ii) contractually subordinated debt (including claims under the Subordinated Instruments); (iii) certain interest, such as interest accrued on the Instruments, unpaid until the

comencement of the insolvency proceedings; (iv) fines; (v) claims of creditors related to the Issuer; and (vi) detrimental claims against the Issuer where a Spanish court has determined that the relevant creditor has acted in bad faith (rescisión concursal).

3C Status – Unsubordinated Guarantee

This Condition 3C is applicable to all Instruments other than those which are specified in the Final Terms as being guaranteed on a subordinated basis.

3C.01 Pursuant to the Guarantee, the Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Instruments. The obligations of the Guarantor under the Guarantee (which expression includes any covenant which may be given pursuant to Condition 18.01(a)(iii)) constitute direct, unconditional and (subject to the provisions of Condition 4) unsecured obligations of the Guarantor and (subject as aforesaid) (unless they qualify by law as subordinated credits under article 92 of the Insolvency Law in the event of the insolvency (*concurso*) of the Guarantor will at all times rank *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Guarantor, present and future, except for such payment obligations that are preferred by law under Articles 84, 90 and 91 under Law 22/2003.

3C.02 The Guarantor undertakes not to evidence by means of a Spanish Public Document any Relevant Indebtedness of the Guarantor or any guarantee or surety given by the Guarantor in respect of any Relevant Indebtedness of any other Person unless, not later than one day prior thereto, the obligations of the Guarantor under the Guarantee are also notarised or intervened as aforesaid at the expense of the Guarantor except that the provisions of this Condition 3C.02 shall not apply to such Relevant Indebtedness which is, pursuant to mandatory provisions of the laws of the Kingdom of Spain, required to be notarised or intervened as aforesaid.

“**Spanish Public Document**” means a public deed granted before, or document or instrument witnessed by, a Notary (*escritura pública otorgada ante, o póliza o efecto intervenido por, Notario*).

From the entry into force of the Insolvency Law on 1 September 2004, and in accordance with the insolvency procedures (concurso) regulated therein, creditors whose rights arise from a Spanish Public Document, including Holders, do not have a preference to enforce their rights and do not rank ahead of other creditors whose rights may be recognised by virtue of a document which is not a Spanish Public Document.

3D Status – Subordinated Guarantee

Subordinated Instruments will be guaranteed on a subordinated basis.

The payment obligations of the Guarantor under the Guarantee in relation to Subordinated Instruments constitute direct, unsecured and subordinated obligations of the Guarantor and will at all times rank *pari passu* among themselves and *pari passu* with all other present and future subordinated obligations of the Guarantor, except for certain subordinated obligations prescribed by law and subordinated obligations which are expressed to rank junior to the Guarantee.

In the event of insolvency (concurso) of the Guarantor under the Insolvency Law, claims under the Guarantee by Holders of Subordinated Instruments will fall within the category of “subordinated debts” (créditos subordinados, as defined in the Insolvency Law). After payment in full of all unsubordinated claims but before distributions to shareholders, under article 92 of the Insolvency Law, the Guarantor will be required to meet subordinated debts in the following order and pro rata within each class: (i) late or incorrect claims; (ii) contractually subordinated debt (including claims under the Guarantee); (iii) certain interest; (iv) fines; (v) claims of creditors related to the Guarantor; and (vi) detrimental claims against the Guarantor where a Spanish court has determined that the relevant creditor has acted in bad faith (rescisión concursal).

4. Negative Pledge

This Condition 4 applies to Unsubordinated Instruments only.

So long as any of the Instruments of a Series remains outstanding (as defined in the Issue and Paying Agency Agreement) each of the Issuer and the Guarantor undertakes that it will not create or have outstanding any Encumbrance (as defined below) upon the whole or any part of its assets, present or future, in order to secure any Relevant Indebtedness (as defined below) issued or guaranteed by the Issuer, the Guarantor or by any other Person (as defined below) unless (a) such

Instruments are equally and rateably secured therewith, or (b) such other security is provided as the Syndicate (as defined on page 35) of the relevant Series shall approve, in each case for as long as such Relevant Indebtedness shall be so secured; provided, however, that the foregoing restriction shall not apply to any Encumbrance securing Relevant Indebtedness issued or guaranteed by the Guarantor, the Issuer or any other Person if the Relevant Indebtedness so secured (i) was originally offered, distributed or sold primarily to residents of The Kingdom of Spain, (ii) by its terms matures within one year of its date of issue, or (iii) the Encumbrance affects the assets of an entity which, when the Encumbrance was created, was unrelated to the Issuer or the Guarantor, and which was subsequently acquired by the Issuer or the Guarantor; and provided, further, that nothing in this Condition 4 shall limit the ability of the Issuer or the Guarantor, as the case may be, to grant or permit to subsist Encumbrances over any or all of their respective present or future assets to secure Relevant Indebtedness issued or guaranteed by the Issuer, the Guarantor or any other Person, to the extent that the aggregate principal amounts so secured do not exceed 5 per cent. of the consolidated net tangible assets (as defined below) of the Guarantor, as reflected in the most recent balance sheet (prepared in accordance with such accounting principles as are generally accepted in the Kingdom of Spain at the date of such computation and as applied by the Guarantor) prior to the time such Relevant Indebtedness was issued or guaranteed.

As used in these Terms and Conditions, “**Person**” means any individual, corporation, partnership, joint venture, trust, unincorporated organisation or government or any agency or political subdivision thereof, “**Encumbrance**” means any mortgage, pledge, lien or other charge, and “**Relevant Indebtedness**” means any obligation for the payment of borrowed money which is in the form of, or represented or evidenced by, a certificate of indebtedness or in the form of, or represented or evidenced by, bonds, notes or other securities which, in any of the above cases, is or are, or is or are capable of being, quoted, listed, dealt in or traded on a stock exchange or other recognised securities market. For the purposes of avoiding any doubt in respect of asset-backed financings originated by the Issuer or the Guarantor, the expressions “assets” and “obligations for the payment of borrowed money” as used in the definition of Relevant Indebtedness do not include obligations of the Issuer or the Guarantor which, pursuant to the requirements of law and accounting principles generally accepted in the Kingdom of Spain need not, and are not, reflected in the balance sheet of the Issuer or the Guarantor, as the case may be.

As used in this Condition 4, “**consolidated net tangible assets of the Guarantor**” means the total amount of assets of the Guarantor and its consolidated Subsidiaries, including investments in unconsolidated subsidiaries, after deduction of (i) deferred charges, (ii) goodwill in consolidation, (iii) intangible assets, and (iv) amounts due from stockholders for uncalled capital; and “**Subsidiary**” has the meaning given in Condition 18.

5. Interest

Interest

5.01 Instruments may be interest-bearing or non interest-bearing, as specified in the Final Terms. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Final Terms shall have the meanings given to them in Condition 5.09.

Interest-bearing Instruments

5.02 Instruments which are specified in the Final Terms as being interest-bearing shall bear interest from their Interest Commencement Date at the Interest Rate payable in arrear on each Interest Payment Date.

Floating Rate Instruments

5.03 If the Final Terms specifies the Interest Rate applicable to the Instruments as being Floating Rate it shall also specify which page (the “**Relevant Screen Page**”) on the Reuters Screen or Telerate or any other information vending service shall be applicable. If such a page is so specified, the Interest Rate applicable to the relevant Instruments for each Interest Accrual Period shall be determined by the Calculation Agent on the following basis:

- (i) the Calculation Agent will determine the offered rate for deposits (or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Accrual Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (ii) if, on any Interest Determination Date, no such rate for deposits so appears (or, as the case may be, if fewer than two such rates for deposits so appear) or if the Relevant Screen Page is unavailable, the Calculation Agent will request appropriate quotations and will determine the arithmetic mean (rounded as aforesaid) of the rates at which deposits in the relevant currency are offered by four major banks in the London interbank market or, in the case of Instruments denominated or payable in Euro, the euro zone interbank market (unless otherwise specified in the relevant Final Terms), selected by the Calculation Agent, at approximately the Relevant Time on the Interest Determination Date to prime banks in the London interbank market in the case of LIBOR or in the euro zone interbank market in the case of EURIBOR for a period of the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (iii) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates so quoted; or
- (iv) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates quoted by four major banks in the Relevant Financial Centre (or, in the case of Instruments denominated in Euro, in such financial centre or centres within the euro zone as the Calculation Agent may select) selected by the Calculation Agent, at approximately 11.00 a.m. (Relevant Financial Centre time (or local time at such other financial centre or centres as aforesaid)) on the first day of the relevant Interest Accrual Period for loans in the relevant currency to leading European banks for a period for the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Interest Rate applicable to such Instruments during each Interest Accrual Period will be the sum of the relevant margin (the “**Relevant Margin**”) specified in the Final Terms and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) so determined provided, however, that, if the Calculation Agent is unable to determine a rate (or, as the case may be, an arithmetic mean of rates) in accordance with the above provisions in relation to any Interest Accrual Period, the Interest Rate applicable to such Instruments during such Interest Accrual Period will be the sum of the Relevant Margin and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) determined in relation to such Instruments in respect of the last preceding Interest Accrual Period.

ISDA Rate Instruments

5.04 If the Final Terms specifies the Interest Rate applicable to the Instruments as being ISDA Rate, each Instrument shall bear interest as from such date, and at such rate or in such amounts, and such interest will be payable on such dates, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into an interest rate swap transaction with the Holder of such Instrument under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Fixed Price Payer, Floating Rate Payer, Floating Amount Payer or, as the case may be, the Floating Price Payer is the Issuer (as specified in the Final Terms);
- the Effective Date is the Interest Commencement Date;
- the Termination Date is the Maturity Date;
- the Calculation Agent is the Calculation Agent as defined in Condition 5.09;
- the Calculation Periods are the Interest Accrual Periods;
- the Period End Dates are the Interest Period End Dates;
- the Payment Dates are the Interest Payment Dates;
- the Reset Dates are the Interest Period End Dates;

- the Calculation Amount is the principal amount of such Instrument;
- the Day Count Fraction applicable to the calculation of any amount is that specified in the Final Terms or, if none is so specified, as may be determined in accordance with the ISDA Definitions;
- the Applicable Business Day Convention applicable to any date is that specified in the Final Terms or, if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the other terms are as specified in the Final Terms.

Maximum or Minimum Interest Rate

5.05 If any Maximum or Minimum Interest Rate is specified in the Final Terms, then the Interest Rate shall in no event be greater than the maximum or be less than the minimum so specified.

Accrual of Interest

5.06 Interest shall accrue on the Outstanding Principal Amount of each Instrument during each Interest Accrual Period from the Interest Commencement Date. Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Redemption Amount (as defined in Condition 6.10) or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof in which case interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (both before and after any demand or judgment) at the Interest Rate then applicable or such other rate as may be specified for this purpose in the Final Terms until the date on which, upon due presentation or surrender of the relevant Instrument (if required), the relevant payment is made or, if earlier (except where presentation or surrender of the relevant Instrument is not required as a precondition of payment), the seventh day after the date on which the Issue and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Instruments in accordance with Condition 14 that the Issue and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.07 If a Calculation Agent is specified in the Final Terms, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the Interest Rate and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in respect of each denomination of the Instruments (in the case of Bearer Instruments) and the minimum denomination (in the case of Registered Instruments) for the relevant Interest Accrual Period, calculate the Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Interest Rate and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Redemption Amount or any Instalment Amount to be notified to the Issue and Paying Agent, the Registrar (in the case of Registered Instruments), the Issuer, the Guarantor, the Commissioner, the Holders in accordance with Condition 14 and, if the Instruments are listed on a stock exchange and such exchange so requires, such exchange as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter or, if earlier in the case of notification to the stock exchange, the time required by the relevant stock exchange. The Interest Amounts (provided that any modifications are de minimis) and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of an Interest Accrual Period or the Interest Period. If the Instruments become due and payable under Condition 7, the Interest Rate and the accrued interest payable in respect of the Instruments shall nevertheless continue to be calculated as previously in accordance with this Condition. The determination of each Interest Rate, Interest Amount, Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in

the absence of manifest error) be final and binding upon the Issuer, the Guarantor, the Commissioner and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer and the Guarantor will procure that there shall at all times be appointed a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Interest Rate for any Interest Accrual Period or to calculate the Interest Amounts or any other requirements, the Issuer will appoint the London office of a leading bank engaged in the London interbank market to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

Calculations and Adjustments

5.08 The amount of interest payable in respect of any Instrument for any period shall be calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction (as defined in Condition 5.09), save that if the Final Terms specifies a specific amount in respect of such period, the amount of interest payable in respect of such Instrument for such period will be equal to such specified amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period will be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in the Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States Dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in Euro or any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of Instruments, (i) as a result of any change in the laws, regulations or rulings of the Kingdom of Spain or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws, regulations or rulings which becomes effective on or after the date of issue of such Instruments or any other date specified in the Final Terms, (1) the Issuer or, as the case may be, the Guarantor (if a demand were made under the Guarantee) would be required to pay additional amounts as provided in Condition 8 or (2) the Guarantor or any Subsidiary of the Guarantor is or would be required to deduct or withhold tax on any payment to the Issuer to enable the Issuer to make any payment (whether in respect of principal, premium, interest or otherwise); (ii) in each case, the payment of such additional amount in the case of (1) above or such deduction or withholding in the case of (2) above cannot be avoided by the Issuer or the Guarantor or such Subsidiary taking reasonable measures available to it and (iii) such circumstances are evidenced by the delivery by the Issuer or the Guarantor to the Commissioner (as defined on page 35) and the Issue and Paying Agent of a certificate signed by one director of the Issuer or two directors of the Guarantor stating that the said circumstances prevail and describing the facts leading thereto and an opinion of independent legal advisers of recognised standing to the effect that such circumstances prevail, the Issuer may, at its option and having given no less than 30 nor more than 60 days’ notice (ending, in the case of Instruments which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Instruments in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Instruments comprising the relevant Series at their early tax redemption amount (the “**Early Redemption Amount (Tax)**”) (which shall be their Outstanding Principal Amount or, in the case of Instruments which are non-interest bearing, their Amortised Face Amount (as defined in Condition 6.11) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with accrued interest (if any) thereon provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Instruments which bear interest at a floating rate a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Instruments plus 60 days) prior to the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Instruments then due.

If, pursuant to Condition 18.02(ii)(a), a Person into which the Issuer or the Guarantor is merged or to whom the Issuer or the Guarantor has conveyed, transferred or leased its properties or assets has been or would be required to pay any additional amounts as therein provided, each Series of Instruments may be redeemed at the option of such Person in whole, but not in part, in

accordance with the first paragraph of this Condition 6.02, which paragraph shall apply *mutatis mutandis*.

The Issuer may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Instrument under Condition 6.06.

Optional Early Redemption (Call)

6.03 If this Condition 6.03 is specified in the Final Terms as being applicable, then the Issuer may, having given the appropriate notice and subject to such conditions as may be specified in the Final Terms, redeem all (but not, unless and to the extent that the Final Terms specifies otherwise, some only) of the Instruments of the relevant Series at their call early redemption amount (the “**Early Redemption Amount (Call)**”) (which shall be their Outstanding Principal Amount or, in the case of Instruments which are non-interest bearing, their Amortised Face Amount (as described in Condition 6.11) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with accrued interest (if any) thereon on the date specified in such notice.

The Issuer may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Instrument under Condition 6.06.

6.04 The appropriate notice referred to in Condition 6.03 is a notice given by the Issuer to the Holders of the Instruments of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of Instruments subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and (except in the case of a Temporary Global Instrument or Permanent Global Instrument) the serial numbers of the Instruments of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than 30 days nor more than 60 days after the date on which such notice is given and which shall be such date or the next of such dates (“**Call Option Date(s)**”) or a day falling within such period (“**Call Option Period**”), as may be specified in the Final Terms and which is, in the case of Instruments which bear interest at a floating rate, a date upon which interest is payable; and
- the Early Redemption Amount (Call) at which such Instruments are to be redeemed.

Partial Redemption

6.05 If the Instruments of a Series are to be redeemed in part only on any date in accordance with Condition 6.03 and 6.04:

- in the case of Bearer Instruments (other than a Temporary Global Instrument or Permanent Global Instrument), the Instruments to be redeemed shall be drawn by lot in accordance with applicable Spanish law requirements in such European city as the Issue and Paying Agent may specify, or identified in such other manner or in such other place as the Issue and Paying Agent may approve and deem appropriate and fair;
- in the case of a Temporary Global Instrument or a Permanent Global Instrument, the Instruments to be redeemed shall be selected in accordance with the rules of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system; and

subject always to compliance with all applicable laws and the requirements of any listing authority, stock exchange and/or quotation system (if any) on which the relevant Instruments may have been admitted to listing, trading and/or quotation.

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.07

which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

Optional Early Redemption (Put)

6.06 If this Condition 6.06 is specified in the Final Terms as being applicable, then the Issuer shall, upon the exercise of the relevant option by the Holder of any Instrument of the relevant Series, redeem such Instrument on the date specified in the relevant Put Notice (as defined below) at its put early redemption amount (the “**Early Redemption Amount (Put)**”) (which shall be its Outstanding Principal Amount or, if such Instrument is non-interest bearing, its Amortised Face Amount (as described in Condition 6.11) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than 45 days before the date on which such redemption is required to be made as specified in the Put Notice (which date shall be such date or the next of the dates (“**Put Date(s)**”) or a day falling within such period (“**Put Period**”) as may be specified in the Final Terms), deposit the relevant Instrument (together, in the case of an interest-bearing Definitive Instrument, with all unmatured Coupons appertaining thereto other than any Coupon maturing on or before the date of redemption (failing which the provisions of Condition 9A.06 apply)) during normal business hours at the specified office of, in the case of a Bearer Instrument, any Paying Agent or, in the case of a Registered Instrument, the Registrar together with a duly completed early redemption notice (“**Put Notice**”) in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Temporary Global Instrument or Permanent Global Instrument or Registered Instrument, the aggregate principal amount in respect of which such option is exercised (which must be the minimum denomination specified in the Final Terms or an integral multiple thereof). No Instrument so deposited and option exercised may be withdrawn (except as provided in the Issue and Paying Agency Agreement).

In the case of the redemption of part only of a Registered Instrument, a new Registered Instrument in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.07 which shall apply as in the case of a transfer of Registered Instruments as if such new Registered Instrument were in respect of the untransferred balance.

The Holder of an Instrument may not exercise such option in respect of any Instrument which is the subject of the prior exercise by the Issuer of its option to redeem such Instrument under either Condition 6.02 or 6.03.

Purchase of Instruments

6.07 The Issuer, the Guarantor or any of the Guarantor’s other Subsidiaries (as defined in Condition 18) may at any time purchase Instruments in the open market or otherwise and at any price provided that all unmatured Receipts and Coupons appertaining thereto are purchased therewith. If purchases are made by tender, tenders must be available to all Holders of Instruments alike.

Cancellation of Redeemed and Purchased Instruments

6.08 All unmatured Instruments redeemed in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold. Unmatured Instruments, Receipts and Coupons purchased in accordance with this Condition 6 may, at the option of the Issuer, be cancelled, reissued or, as the case may be, resold.

Further Provisions applicable to Redemption Amount and Instalment Amounts

6.09 The provisions of Condition 5.07 and the last paragraph of Condition 5.08 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms to be made by the Calculation Agent (as defined in Condition 5.09).

6.10 References herein to “**Redemption Amount**” shall mean, as appropriate, the Maturity Redemption Amount, the final Instalment Amount, Early Redemption Amount (Tax), Early Redemption Amount (Call), Early Redemption Amount (Put) and Early Termination Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms.

6.11 In the case of any Instrument which is non-interest bearing, the “**Amortised Face Amount**” shall be an amount equal to the sum of:

- (i) the Issue Price specified in the Final Terms; and
- (ii) the product of the Amortisation Yield (compounded annually) being applied to the Issue Price from (and including) the Issue Date specified in the Final Terms to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Instrument becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction (as defined in Condition 5.09) specified in the Final Terms for the purposes of this Condition 6.11.

6.12 If any Redemption Amount (other than the Maturity Redemption Amount) is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortised Face Amount shall be calculated as provided in Condition 6.11 but as if references in subparagraph (ii) to the date fixed for redemption or the date upon which such Instrument becomes due and repayable were replaced by references to the earlier of:

- (i) the date on which, upon due presentation or surrender of the relevant Instrument (if required), the relevant payment is made; and
- (ii) (except where presentation or surrender of the relevant Instrument is not required as a precondition of payment), the seventh day after the date on which the Issue and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Instruments in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder).

7. Events of Default

7.01 If any of the following events as modified by the relevant Final Terms (each an “Event of Default”) occurs and is continuing:

- (i) the Issuer fails to pay, and the Guarantor fails to honour the Guarantee with respect to payments of, any principal, premium (if any) or interest due in respect of the Instruments of the relevant Series or any of them and such default continues for a period of 21 days; or
- (ii) the Issuer fails to perform any other obligation arising from the Instruments of that Series or the Guarantor fails to perform any other obligation arising under the Guarantee of such Instruments and such failure continues for more than 60 days (90 days if the failure to perform relates to an obligation of the Issuer or the Guarantor arising under Condition 18) following the service by the Commissioner or failing which any Holder on the Issuer and the Guarantor of a written notice specifying such failure and requiring it to be remedied, and stating that such notice is a “Notice of Default” hereunder; or
- (iii) the Issuer or the Guarantor fails to fulfill (taking into account any applicable grace periods) any payment obligation in excess of Euro 100,000,000 or its equivalent in any other currency under any Relevant Indebtedness or under any guarantee or suretyship provided for under any Relevant Indebtedness of others, and this failure remains uncured for 30 days; or
- (iv) the holders of any Relevant Indebtedness of the Issuer or the Guarantor accelerate any payment obligation in excess of Euro 100,000,000 or its equivalent in any other currency as a result of the Issuer or the Guarantor entering into a transaction described under Condition 18, which transaction constitutes an event of default in respect of such other Relevant Indebtedness; or
- (v) (1) the Issuer or the Guarantor announces its inability to meet its financial obligations; or (2) a court commences insolvency proceedings against the Issuer or Guarantor; or (3) the Issuer or Guarantor goes into liquidation, unless it is done in connection with a merger or other form of business combination with another company and that company assumes all the obligations of the Issuer or the Guarantor, as the case may be, in connection with the Instruments; or (4) the Issuer or Guarantor makes a filing seeking relief under any applicable bankruptcy or insolvency laws; or

then the Commissioner, acting upon a resolution of the Syndicate of Holders of the Instruments in respect of all of the Instruments of the relevant Series or any Holder of an Instrument of the

relevant Series in respect of such Instrument and provided that such Holder does not contravene the resolution of the Syndicate (if any) may, by written notice to the Issuer and the Guarantor, declare that such Instruments or Instrument (as the case may be) and (if the Instruments or Instrument are or is interest-bearing) all interest then accrued but unpaid on such Instruments or Instrument (as the case may be) shall be forthwith due and payable, whereupon the same shall (to the extent permitted by applicable Spanish law) become immediately due and payable at its early termination amount (the “**Early Termination Amount**”) (which shall be its Outstanding Principal Amount or, if such Instruments or Instrument (as the case may be) is or are non-interest bearing, its Amortised Face Amount (as defined in Condition 6.11) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Final Terms), together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Instruments to the contrary notwithstanding, unless, prior thereto, all Events of Default in respect of the Instruments of the relevant Series shall have been cured.

Law 22/2003 provides, among other things, that: (i) any claim may become subordinated if it is not included in a company's accounts or otherwise reported to the insolvency administrators within one month from the last official publication of the court order declaring the insolvency, (ii) provisions in a contract granting one party the right to terminate on the other's insolvency may not be enforceable, and (iii) interest shall cease to accrue from the date of the declaration of insolvency.

8.01 All amounts payable by or on behalf of the Issuer or the Guarantor, as the case may be, (whether in respect of principal, interest or otherwise) in respect of the Instruments will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Kingdom of Spain or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Issuer or, as the case may be, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts receivable by the Holder after such withholding or deduction shall equal the respective amounts which would have been receivable by such Holder in the absence of such withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of any Instrument or Coupon:

- (i) to, or to a third party on behalf of, a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Instrument or Coupon by reason of his having some connection with The Kingdom of Spain other than (a) the mere holding of such Instrument or Coupon or (b) the receipt of principal, interest or other amount in respect of such Instrument or Coupon; or

8.02 For the purposes of these Terms and Conditions, the "Relevant Date" means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Issue and Paying Agent, or as the case may be, the Registrar on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders, notice to that effect shall have been duly given to the Holders of the Instruments of the relevant Series in accordance with Condition 14.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Instrument which is a Definitive Instrument with Receipts will be made against presentation of the Instrument together with the relevant Receipt and surrender of such Receipt.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Instrument to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of an Instrument without the relative Receipt or the presentation of a Receipt without the Instrument to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

9A.03 Payment of amounts in respect of interest on Bearer Instruments will be made:

- (i) in the case of a Temporary Global Instrument or Permanent Global Instrument, against presentation of the relevant Temporary Global Instrument or Permanent Global Instrument at the specified office of any of the Paying Agents outside (unless Condition 9A.04 applies) the United States and, in the case of a Temporary Global Instrument, upon due certification as required therein;

9A.04 Payments of amounts due in respect of interest on the Bearer Instruments and exchanges of Talons for Coupon sheets in accordance with Condition 9A.07 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Instruments when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (b) such payment or exchange is permitted by applicable United States law. If paragraphs (a) and (b) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

9A.05 If the due date for payment of any amount due in respect of any Bearer Instrument is not a Relevant Financial Centre Day and a local banking day (both as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, if appropriate, Condition 5.10.

9A.06 Each Definitive Instrument initially delivered with Coupons, Talons or Receipts attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

- (i) if the Final Terms specifies that this paragraph (i) of Condition 9A.06 is applicable (and, in the absence of specification, this paragraph (i) shall apply to Definitive Instruments which bear interest at a fixed rate or rates or in fixed amounts) and subject as hereinafter provided, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the total Redemption Amount due) (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) will be deducted from the amount otherwise

payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such Redemption Amount;

- (ii) if the Final Terms specifies that this paragraph (ii) of Condition 9A.06 is applicable (and, in the absence of specification, this paragraph (ii) shall apply to Instruments which bear interest at a floating rate or rates or in variable amounts) all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Instruments (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;
- (iii) in the case of Definitive Instruments initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and
- (iv) in the case of Definitive Instruments initially delivered with Receipts attached thereto, all Receipts relating to such Instruments in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 9A.06 notwithstanding, if any Definitive Instruments should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Definitive Instrument without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Instrument, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Instrument to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9A.07 In relation to Definitive Instruments initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9A.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

9B Payments – Registered Instruments

9B.01 This Condition 9B is applicable in relation to Instruments in registered form.

9B.02 Payment of the Redemption Amount (together with accrued interest) due in respect of Registered Instruments will be made against presentation and, save in the case of partial payment of the Redemption Amount, surrender of the relevant Registered Instruments at the specified office of the Registrar. If the due date for payment of the Redemption Amount of any Registered Instrument is not a Relevant Financial Centre Day (as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, as appropriate, Condition 5.10.

9B.03 Payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar as at opening of business (local time in the place of the specified office of the Registrar) on the fifteenth Relevant Banking Day (as defined in Condition 2.06) before the due date for such payment (the “Record Date”).

9B.04 Notwithstanding the provisions of Condition 9C.02, payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be made in the currency in which such amount is due by cheque (in the case of payment in sterling, drawn on a town clearing branch of a bank in the city of London) and posted to the address (as recorded in the register held by the Registrar) of the Holder thereof (or, in the case of joint Holders, the first-named) on the Relevant Banking Day (as defined in Condition 2.06) not later than the relevant due date for payment unless prior to the relevant Record Date the Holder thereof (or, in the case of joint Holders, the first-named) has applied to the Registrar and the Registrar has acknowledged such application for payment to be made to a designated account denominated in the relevant currency in which case payment shall be made on the relevant due date for payment by transfer to such account. In the case of payment by transfer to an account, if the due date for any such payment is not a Relevant Financial Centre Day, then the Holder thereof will not be entitled to payment thereof until the first day thereafter which is a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, as appropriate, Condition 5.10.

9C Payments – General Provisions

9C.01 Save as otherwise specified in these Terms and Conditions, this Condition 9C is applicable in relation to Instruments whether in bearer or in registered form.

9C.02 Payments of amounts due (whether principal, interest or otherwise) in respect of Instruments will be made in the currency in which such amount is due (a) by cheque (in the case of payment in sterling, drawn on a town clearing branch of a bank in the city of London) or (b) at the option of the payee, by transfer to an account denominated in the relevant currency specified by the payee. Payments will, without prejudice to the provisions of Condition 8, be subject in all cases to any applicable fiscal or other laws and regulations.

9C.03 For the purposes of these Terms and Conditions:

- (i) “**Relevant Financial Centre Day**” means, in the case of any currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments in the Relevant Financial Centre and in any other place specified in the Final Terms or in the case of payment in Euro, a day on which the TARGET System is operating; and
- (ii) “**local banking day**” means a day (other than a Saturday or Sunday) on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place of presentation of the relevant Instrument or, as the case may be, Coupon.

9C.04 No commissions or expenses shall be charged to the holders of Instruments or Coupons in respect of such payments.

9D Redenomination

9D.01 Where Redenomination is specified in the relevant Final Terms as being applicable, the Issuer may, without the consent of the Holders of the Instruments, the Receipts and the Coupons, on giving at least 30 days’ prior notice to the Commissioner and the Holders of the Instruments in accordance with Condition 14, elect that, with effect from the Redenomination Date (as defined below) specified in the notice, the Instruments shall be redenominated in Euro.

9D.02 The election will have effect as follows:

- (i) each Specified Denomination (as defined below) and, in the case of Fixed Rate Instruments, each amount specified on the Coupons will be deemed to be denominated in such amount of Euro as is equivalent to its denomination or the amount of interest so specified in the Relevant Currency (as defined below) at the Established Rate (as defined below), rounded down to the nearest Euro 0.01;
- (ii) after the Redenomination Date, all payments in respect of the Instruments, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Instruments to the Relevant Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee, or at the option of the payee, by a Euro cheque;
- (iii) if the Instruments are Fixed Rate Instruments and interest for any period ending on or after the Redenomination Date is required to be calculated for a period of less than one year, it will be calculated on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed fall in a leap year, the sum of (i) the number of those days falling in a leap year divided by 366 and (ii) the number of those days falling in a non-leap year divided by 365);
- (iv) if the Instruments are Floating Rate Instruments the relevant Final Terms will specify any relevant changes to the provisions relating to interest; and
- (v) such other changes shall be made to these Terms and Conditions as the Issuer may decide, after consultation with the Issue and Paying Agent, and as may be specified in the notice, to conform them to conventions then applicable to Instruments denominated in Euro or to enable the Instruments to be consolidated with Other Instruments (as defined below) whether or not originally denominated in the Specified Currency (as defined below) or Euro. Any such other changes will not take effect until after they have been notified to the Holders of the Instruments in accordance with Condition 14.

9E Exchangeability

Where Exchangeability is specified in the applicable Final Terms as being applicable, the Issuer may without the consent of the Holders of the Instruments, the Receipts and the Coupons, on giving at least 30 days' prior notice to the Commissioner and the Holders of the Instruments in accordance with Condition 14, elect that, with effect from the Redenomination Date or such later date for payment of interest under the Instruments as it may specify in the notice, the Instruments shall be exchangeable for Instruments expressed to be denominated in Euro in accordance with such arrangements as the Issuer may decide, with the approval of the Issue and Paying Agent and as may be specified in the notice, including arrangements under which Receipts and Coupons unmatured at the date so specified become void.

Definitions: In these Terms and Conditions, the following expressions have the following meanings:

- (i) “**Established Rate**” means the rate for conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into Euro established by the Council of the European Union pursuant to Article 1091(4) of the Treaty;

- (iv) “**Redenomination Date**” means, in the case of interest-bearing Instruments, any date for payment of interest under the Instruments or, in the case of zero coupon Instruments, any date, in each case specified by the Issuer in the notice given to the Holders of Instruments pursuant of paragraph 9D.01 above or, if the country of the Specified Currency is not one of the countries then participating in the third stage of European economic and monetary union pursuant to the Treaty, the date which falls on or after such later date as it does so participate;

10. Prescription

10.01 Claims against the Issuer for payment, whether of principal and interest or otherwise, in respect of Instruments will be prescribed and become void unless made, in the case of principal, within ten years or, in the case of interest, five years after the Relevant Date (as defined in Condition 8.02) for payment thereof.

10.02 In relation to Definitive Instruments initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue pursuant to Condition 9A.06 or the due date for the payment of which would fall after the due date for the redemption of the relevant Instrument or which would be void pursuant to this Condition 10 or any Talon the maturity date of which would fall after the due date for redemption of the relevant Instrument.

11. The Paying Agents, the Registrars and the Calculation Agent

11.01 The initial Paying Agents and Registrars and their respective initial specified offices are specified below. The Calculation Agent in respect of any Instruments shall be specified in the Final Terms. The Issuer and the Guarantor reserve the right at any time to vary or terminate the appointment of any Paying Agent (including the Issue and Paying Agent) or the Registrar or the Calculation Agent and to appoint additional or other Paying Agents or another Registrar or another Calculation Agent provided that they will at all times maintain (i) a Issue and Paying Agent, (ii) in the case of Registered Instruments, a Registrar, (iii) a Paying Agent (which may be the Issue and Paying Agent) with a specified office in a continental European city which is not a Member State of the European Union, (iv) so long as the Instruments are listed on the Official List and/or any other listing authority, stock exchange and/or quotation system and the rules of the Financial Services Authority and/or such other listing authority, stock exchange and/or quotation system so require, a Paying Agent (which may be the Issue and Paying Agent) and a Registrar each with a specified office in London and/or in such other place as may be required by such other stock exchange, (v) in the circumstances described in Condition 9A.04, a Paying Agent with a specified office in New York City, (vi) a Calculation Agent where required by the Terms and Conditions applicable to any Instruments and (vii) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive (in the case of (i), (ii), (iii) and (vi) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Paying Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same city. Notice of all changes in the identities or specified offices of any Paying Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer, failing whom the Guarantor, to the Holders in accordance with Condition 14.

11.02 The Paying Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and the Guarantor and, save as provided in the Issue and Paying Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Instrument, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed

upon it in the Issue and Paying Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

12. Replacement of Instruments

If any Instrument, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Issue and Paying Agent or such Paying Agent or Paying Agents as may be specified for such purpose in the Final Terms (in the case of Bearer Instruments and Coupons) or of the Registrar (in the case of Registered Instruments) (“**Replacement Agent**”) and if the Instruments are then admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent in any particular place, the Paying Agent having its specified office in the place required by such listing authority, stock exchange and/or quotation system, subject to all applicable laws and the requirements of any listing authority, stock exchange and/or quotation system on which the Instruments are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer, the Guarantor and the Replacement Agent may require. Mutilated or defaced Instruments, Receipts and Coupons must be surrendered before replacements will be delivered therefor. In case any such lost, stolen, mutilated, defaced or destroyed Instrument, Receipt or Coupon has become or is about to become due and payable, the Issuer in its discretion may, instead of delivering replacements therefor, pay such Instrument, Receipt or Coupon.

13. Syndicate of Holders of the Instruments and Modification

The Holders of the Instruments of a relevant Series shall meet in accordance with the regulations governing the relevant Syndicate of Holders (the “**Regulations**”). The Regulations contain rules governing the functioning of each Syndicate and the rules governing its relationship with the Issuer and shall be attached to the Public Deed of Issuance. A set of pro forma Regulations is included in the Issue and Paying Agency Agreement.

A provisional Commissioner will be appointed for each Syndicate. Upon the subscription of the Instruments, the Commissioner will call a general meeting of the Syndicate, the duty of which shall be to ratify or oppose the acts of the Commissioner, confirm his appointment or appoint a substitute and to ratify the Regulations.

Provisions for meetings of the Syndicate of Holders of the Instruments will be contained in the Regulations and the Issue and Paying Agency Agreement. Such provisions shall have effect as if incorporated herein.

The Issuer may, with the consent of the Issue and Paying Agent and the relevant Commissioner, but without the consent of the Holders of the Instruments of any Series or Coupons, amend these Terms and Conditions and the Deed of Covenant insofar as they may apply to such Instruments to correct a manifest error. Subject as aforesaid, no other modification may be made to these Terms and Conditions or the Deed of Covenant except with the sanction of a resolution of the relevant Syndicate of Holders of Instruments.

For the purposes of these Terms and Conditions,

- (i) “**Commissioner**” means the trustee (*comisario*) within the meaning of the Spanish Corporations Law (*Ley de Sociedades Anónimas*) of each Syndicate of Holders of the Instruments; and
- (ii) “**Syndicate**” means the syndicate (*sindicato*) within the meaning of the Spanish Corporations law (*Ley de Sociedades Anónimas*).

14. Notices

To Holders of Bearer Instruments

14.01 Notices to Holders of Bearer Instruments will, save where another means of effective communication has been specified herein or in the Final Terms, be deemed to be validly given if published in a leading daily newspaper having general circulation in London (which is expected to be the Financial Times) or, if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe or, if permitted by the relevant stock exchange, in the case of Instruments represented by a Temporary Global Instrument or Permanent Global Instrument, if delivered to Euroclear and Clearstream, Luxembourg and/or any

other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein. The Issuer and the Guarantor shall also ensure that notices are duly published in compliance with the requirements of each stock exchange on which the Instruments are listed. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers) or, as the case may be, on the fourth weekday after the date of such delivery to Euroclear and Clearstream, Luxembourg and/or such other clearing system. Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Instruments in accordance with this Condition.

To Holders of Registered Instruments

14.02 Notices to Holders of Registered Instruments will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day.

To the Issuer and the Guarantor

14.03 Notices to the Issuer may be delivered to the Managing Director at the specified office for the time being of the Issuer. Notices to the Guarantor may be delivered to the Deputy General Manager of Capital Markets at the specified office for the time being of the Guarantor.

To the Commissioner

14.04 Copies of any notice given to any Holders of the Instruments will be also given to the Commissioner of the Syndicate of Holders of the Instruments of the relevant Series.

15. Further Issues

The Issuer may from time to time, without the consent of the Holders of any Instruments or Coupons, create and issue further instruments, bonds or debentures having the same terms and conditions as such Instruments in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Instruments of any particular Series.

16. Currency Indemnity

The currency in which the Instruments are denominated or, if different, payable, as specified in the Final Terms or, in the case of Instruments which have been redenominated pursuant to Condition 9D, the Euro (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Instruments, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of an Instrument or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of an Instrument or Coupon in respect of such Instrument or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of an Instrument or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Instruments or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of an Instrument or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

17. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Instrument, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. Substitution; Merger, Consolidation, etc. Only on Certain Terms

18.01 Provided the Instruments remain subject to Law 13/1985 at all times, the Guarantor or any of its Subsidiaries (as defined below) (each a “**Substitute Debtor**”) may, without the consent of the Holders of any Instruments, Receipts or Coupons, assume the obligations of the Issuer (or any previous Substitute Debtor) under and in respect of any Instruments upon:

- (a) **Deed poll:** the execution of a deed poll (the “**Deed Poll**”) by the Substitute Debtor and (if the Substitute Debtor is not the Guarantor) the Guarantor in a form which gives full effect to such assumption and which includes (without limitation):
 - (i) a covenant by the Substitute Debtor in favour of the Holders of the relevant Instruments to be bound by these Terms and Conditions as if it had been named herein and therein as the Issuer;
 - (ii) if the Substitute Debtor is incorporated, domiciled or resident for tax purposes in a territory other than The Kingdom of Spain, a covenant by the Substitute Debtor corresponding to the provisions of Condition 8 with the addition of such territory to the references to The Kingdom of Spain;
 - (iii) if the Substitute Debtor is not the Guarantor, a covenant by the Guarantor in favour of the Holders of the relevant Instruments guaranteeing the obligations of the Substitute Debtor under and by virtue of the Deed Poll; and
 - (iv) an acknowledgment of the right of the Commissioner and all Holders of the relevant Instruments to the production of the Deed Poll; and
- (b) **Legal opinion:** the delivery by the Issuer to the Issue and Paying Agent and the Commissioner of an opinion of independent legal advisers of recognised standing to the effect that:
 - (i) the Deed Poll constitutes legal, valid, binding and enforceable obligations of the Substitute Debtor and, if the Substitute Debtor is not the Guarantor, the Guarantor;
 - (ii) the relevant Instruments constitute legal, valid, binding and enforceable obligations of the Substitute Debtor; and
 - (iii) if the Substitute Debtor is not the Guarantor, the Guarantee constitutes legal, valid, binding and enforceable obligations of the Guarantor in respect of all sums from time to time payable by the Substitute Debtor in respect of the relevant Instruments.

Upon the assumption by the Substitute Debtor of the Issuer’s obligations under and in respect of the relevant Instruments, and provided that immediately after giving effect to such assumption, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing, the Issuer shall be released from such obligations and, thereafter, all references in the relevant Instruments and the Coupons to the Issuer shall be deemed to be references to the Substitute Debtor.

“**Subsidiary**” means any company in respect of which the Guarantor owns, directly or indirectly, the full voting rights of the shares of such company.

The Deed Poll shall be deposited with and held by the Issue and Paying Agent until all the obligations of the Issuer under and in respect of the relevant Instruments have been discharged in full. Notice of the assumption by the Substitute Debtor of the Issuer’s obligations under and in respect of the relevant Instruments shall promptly be given to the Holders of the relevant Instruments.

18.02 Neither the Issuer nor the Guarantor shall consolidate with or merge (which term shall include for the avoidance of doubt a scheme of arrangement) into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and neither the Issuer nor the Guarantor shall permit any Person to consolidate with or merge into the Issuer or

the Guarantor or convey, transfer or lease its properties and assets substantially as an entirety to the Issuer or the Guarantor, unless:

- (i) in the case the Issuer or the Guarantor shall consolidate with or merge into another Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, the Person formed by such consolidation or into which the Issuer or the Guarantor is merged or the Person which acquires by conveyance or transfer, or which leases, the properties and assets of the Issuer or the Guarantor substantially as an entirety shall be a corporation, partnership or trust, shall be organised and validly existing, under the laws of the jurisdiction of its organisation and shall expressly assume the due and punctual payment of the principal, premium (if any) and interest due in respect of the Instruments and the performance or observance of every covenant under these Terms and Conditions on the part of the Issuer to be performed or observed and, in the case of the Guarantor, the due and punctual payment of the principal, premium (if any) and interest due in respect of the Instruments and the performance or observance of every covenant under these Terms and Conditions on the part of the Guarantor to be performed or observed;
- (ii) if the Person formed by such consolidation or into which the Issuer or the Guarantor is merged or to whom the Issuer or the Guarantor has conveyed, transferred or leased its properties or assets is a Person organised and validly existing under the laws of a jurisdiction other than The Kingdom of Spain, such Person agrees to indemnify the Holders of the Instruments against (a) any tax, assessment or governmental charge imposed on any such Holder or required to be withheld or deducted from any payment to such Holder as a consequence of such consolidation, merger, conveyance, transfer or lease; and (b) any costs or expenses of the act of such consolidation, merger, conveyance, transfer or lease;
- (iii) immediately prior to the consummation of such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred;
- (iv) the consummation of such transaction must not cause an Event of Default under these Terms and Conditions or the Guarantee which the Issuer or the Guarantor, as the case may be, does not reasonably believe that can be cured within 90 days from the date of such transaction; and
- (v) the Issuer of the Guarantor has delivered to the Issue and Paying Agent a certificate signed by one director of the Issuer or one director of the Guarantor and an opinion of counsel (as defined below), each stating that such consolidation, merger, conveyance, transfer or lease comply with this Condition and that all conditions precedent herein provided for relating to such transaction have been complied with.

Upon any consolidation of the Issuer or the Guarantor with, or merger of the Issuer or the Guarantor into, any other Person or any conveyance, transfer or lease of the properties and assets of the Issuer or the Guarantor substantially as an entirety in accordance with this Condition 18.02, the successor Person formed by such consolidation or into which the Issuer or the Guarantor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Guarantor, as the case may be, under these Terms and Conditions with the same effect as if such successor Person had been named as the Issuer or the Guarantor herein, as the case may be, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under these Terms and Conditions and the Instruments.

For the purposes of this Condition 18.02, “**opinion of counsel**” means a written opinion of independent legal advisers of recognised standing or internal legal counsel for the Issuer or the Guarantor.

18.03 For so long as Law 13/1985 applies to the Instruments, the Guarantor shall maintain direct or indirect ownership of the whole of the voting rights in respect of the shares of the Issuer or, following a substitution in accordance with Condition 18.01, the relevant Substitute Debtor.

19. Law and Jurisdiction

19.01 Save as described below, the Instruments and all matters arising from or connected with the Instruments, the Issue and Paying Agency Agreement, the Deed of Guarantee and the Deed of Covenant are governed by, and shall be construed in accordance with, English law. Condition 3 and

the provisions of Condition 13 relating to the appointment of the Commissioner and the Syndicate of Holders are governed by Spanish law.

19.02 The courts of England have exclusive jurisdiction to settle any dispute (a “Dispute”) arising from or connected with the Instruments.

19.03 The Issuer agrees that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.

19.04 Condition 19.03 is for the benefit of the Holders only. As a result, nothing in this Condition 19 (Law and Jurisdiction) prevents any Holder from taking proceedings relating to a Dispute (“Proceedings”) in any other courts with jurisdiction. To the extent allowed by law, Holders may take concurrent Proceedings in any number of jurisdictions.

19.05 The Issuer agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to Clifford Chance Secretaries Limited, 10 Upper Bank Street, London E14 5JJ or, if different, its registered office for the time being or at any address of the Issuer in Great Britain at which process may be served on it in accordance with Part XXIII of the Companies Act 1985. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Issuer, the Issuer shall forthwith appoint a further person in England to accept service of process on its behalf in England and notify the name and address of such person to the Issue and Paying Agent and, failing such appointment within 15 days, any Holder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Issue and Paying Agent. Nothing in this paragraph shall affect the right of any Holder to serve process in any other manner permitted by law. This Condition applies to Proceedings in England and to Proceedings elsewhere.

The instruments are issued in accordance with requirements prescribed by Spanish company law. On the insolvency (concurso) of the Issuer or the Guarantor, the Insolvency Law will determine the ranking of the Instruments and/or the Guarantee, and will prevail over certain provisions of Terms and Conditions of the Instruments and/or the Guarantee.

20. Rights of Third Parties

THIS GUARANTEE is issued on the 5 July 2006

BY

TELEFÓNICA, S.A. (the “**Guarantor**”)

IN FAVOUR OF the Holders (as defined in the Terms and Conditions of the Instruments) and the Relevant Account Holders (as defined in the Deed of Covenant referred to below).

WHEREAS

- (A) Telefónica Emisiones S.A.U. (the “**Issuer**”), the Guarantor and others have established a programme (the “**Programme**”) for the issuance of debt instruments, in connection with which Programme they have entered into, *inter alia*, an amended and restated issue and paying agency agreement (the “**Issue and Paying Agency Agreement**” as amended, supplemented or restated) dated 5 July 2006 and made between the Issuer, the Guarantor, JPMorgan Chase Bank, N.A. as issue and paying agent (the “**Issue and Paying Agent**”, which expression shall include any successor issue and paying agent) and others and the Issuer has executed and delivered a deed of covenant (the “**Deed of Covenant**”) dated 5 July 2006.
- (B) Instruments may be issued on a listed or unlisted basis. The Base Prospectus relating to the Programme has been approved by the United Kingdom Financial Services Authority (the “**FSA**”), which is the competent authority for the purposes of Directive 2003/71/EC (the “**Prospectus Directive**”) and relevant implementing measures in the United Kingdom, as a base prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the Instruments. Applications have been made to the Financial Services Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 (the “**FSMA**”) for Instruments issued within 12 months from the date hereof to be admitted to the official list of the FSA (the “**Official List**”) and to the London Stock Exchange plc (the “**London Stock Exchange**”) for such Instruments to be admitted to trading on the London Stock Exchange’s Gilt-Edged and Fixed Interest Market.
- (C) The Guarantor has agreed, upon the terms set out herein, to guarantee the payment of all sums expressed to be payable from time to time by the Issuer in respect of Instruments issued under the Programme and under the Deed of Covenant as of or subsequent to the date hereof.

NOW THIS DEED WITNESSES as follows:

1. INTERPRETATION AND BENEFIT OF DEED OF GUARANTEE

- 1.1 Unless otherwise defined herein or unless the context requires otherwise, expressions defined in the Terms and Conditions of the Instruments (the “**Conditions**” and each a “**Condition**”) or the Deed of Covenant have the same meanings in this Guarantee except where the context requires otherwise or unless otherwise stated.
- 1.2 Any Instruments issued under the Programme on or after the date of this Deed of Guarantee shall have the benefit of this Guarantee but shall not have the benefit of any subsequent deed of guarantee relating to the Programme (unless expressly so provided in any such subsequent deed).
- 1.3 Any reference in this Guarantee to a Clause is, unless otherwise stated, to a clause hereof.
- 1.4 All references in this Guarantee to an agreement, instrument or other document (including the Issue and Paying Agency Agreement and the Deed of Covenant) shall be construed as a reference to that agreement, instrument or other document as the same may be amended, supplemented, replaced or novated from time to time.
- 1.5 Headings and sub-headings are for ease of reference only and shall not affect the construction of this Guarantee.

2. GUARANTEE AND INDEMNITY

2.1 The Guarantor hereby unconditionally and irrevocably guarantees:

- (a) to the Holder of each Instrument the due and punctual payment of all sums expressed to be payable from time to time by the Issuer in respect of such Instrument as and when the same become due and payable and accordingly undertakes to pay to such Holder, forthwith in the manner and currency prescribed by the relevant Instrument for payments by the Issuer in respect thereof, any and every sum or sums which the Issuer is at any time liable to pay in respect of such Instrument in accordance with the Terms and Conditions of such Instruments and which the Issuer has failed to pay; and
- (b) to each Relevant Account Holder the due and punctual payment of all sums which become payable from time to time by the Issuer to such Relevant Account Holder in respect of the Direct Rights as and when the same become due and payable and accordingly undertakes to pay to such Relevant Account Holder, forthwith in the manner and currency prescribed by the Terms and Conditions of the relevant Instruments for payments by the Issuer thereunder, any and every sum or sums which the Issuer is at any time liable to pay to such Relevant Account Holder in respect of the Direct Rights in accordance with the Deed of Covenant and which the Issuer has failed to pay.

2.2 The Guarantor undertakes to the Holder of each Instrument and to each Relevant Account Holder that, if any sum referred to in Clause 2.1 is not recoverable from the Guarantor thereunder for any reason whatsoever (including, without limitation, by reason of any Instrument or the Deed of Covenant (or any provision thereof) being or becoming void, unenforceable or otherwise invalid under any applicable law), then, notwithstanding that the same may have been known to such Holder or Relevant Account Holder, the Guarantor will, forthwith upon demand by such Holder or Relevant Account Holder, pay such sum by way of a full indemnity in the manner and currency prescribed by such Instrument or (as the case may be) the Deed of Covenant. This indemnity constitutes a separate and independent obligation from the other obligations under this Guarantee and shall give rise to a separate and independent cause of action.

3. TAXATION

The Guarantor covenants in favour of each Holder and Relevant Account Holder that it will duly perform and comply with the obligations expressed to be assumed by it in Condition 8.

4. PRESERVATION OF RIGHTS

4.1 The obligations of the Guarantor hereunder shall be deemed to be undertaken as principal obligor and not merely as surety.

4.2 The obligations of the Guarantor hereunder shall be continuing obligations notwithstanding any settlement of account or other matter or thing whatsoever and, in particular but without limitation, shall not be considered satisfied by any intermediate payment or satisfaction of all or any of the Issuer's obligations under or in respect of any Instrument or the Deed of Covenant and shall continue in full force and effect until all sums due from the Issuer in respect of the Instruments and under the Deed of Covenant have been paid, and all other obligations of the Issuer thereunder or in respect thereof have been satisfied, in full.

4.3 Neither the obligations expressed to be assumed by the Guarantor herein nor the rights, powers and remedies conferred upon the Holders of Instruments and the Relevant Account Holders by this Guarantee or by law shall be discharged, impaired or otherwise affected by:

- (a) the winding up, bankruptcy (*concurso*), moratorium or dissolution of the Issuer or analogous proceeding in any jurisdiction or any change in its status, function, control or ownership;
- (b) any of the obligations of the Issuer under or in respect of any of the Instruments or the Deed of Covenant being or becoming illegal, invalid or unenforceable;
- (c) time or other indulgence being granted or agreed to be granted to the Issuer in respect of its obligations under or in respect of any of the Instruments or the Deed of Covenant;

- (d) any amendment to, or any variation, waiver or release of, any obligation of the Issuer under or in respect of any of the Instruments or the Deed of Covenant or any security or other guarantee or indemnity in respect thereof; or
 - (e) any other act, event or omission which, but for this Clause 4.3, might operate to discharge, impair or otherwise affect the obligations expressed to be assumed by the Guarantor herein or any of the rights, powers or remedies conferred upon the Holders of the Instruments, the Relevant Account Holders or any of them by this Guarantee or by law.
- 4.4 Any settlement or discharge between the Guarantor and the Holders of the Instruments, the Relevant Account Holders or any of them shall be conditional upon no payment to the Holders of the Instruments, the Relevant Account Holders or any of them by the Issuer or any other person on the Issuer's behalf being avoided or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency (*concurso*) or liquidation for the time being in force and, in the event of any such payment being so avoided or reduced, the Holders of the Instruments and the Relevant Account holders shall be entitled to recover the amount by which such payment is so avoided or reduced from the Guarantor subsequently as if such settlement or discharge had not occurred.
- 4.5 No Holder of an Instrument or Relevant Account Holder shall be obliged before exercising any of the rights, powers or remedies conferred upon it by this Guarantee or by law:
- (a) to make any demand of the Issuer, other than the presentation of the relevant Instrument;
 - (b) to take any action or obtain judgment in any court against the Issuer; or
 - (c) to make or file any claim or proof in a winding up or dissolution of the Issuer,
- and, save as aforesaid, the Guarantor hereby expressly waives, in respect of each Instrument, presentment, demand, protest and notice of dishonour.
- 4.6 The Guarantor agrees that, so long as any sums are or may be owed by the Issuer in respect of the Instruments or under the Deed of Covenant or the Issuer is under any other actual or contingent obligation thereunder or in respect thereof, the Guarantor will not exercise any right which the Guarantor may at any time have by reason of the performance by the Guarantor of its obligations hereunder:
- (a) to claim any contribution from any other guarantor of the Issuer's obligations under or in respect of the Instruments or the Deed of Covenant;
 - (b) to take the benefit (in whole or in part) of any security enjoyed in connection with any of the Instruments or the Deed of Covenant by any Holder of an Instrument or Relevant Account Holder; or
 - (c) to be subrogated to the rights of any Holder of an Instrument or Relevant Account Holder against the Issuer in respect of amounts paid by the Guarantor under this Guarantee.

5. STATUS

The Guarantor undertakes that its obligations hereunder will at all times rank as described in Condition 3.

6. DELIVERY

A duly executed original of this Guarantee shall be delivered promptly after execution to the Issue and Paying Agent and such original shall be held to the exclusion of the Guarantor until the date on which complete performance by the Guarantor of the obligations contained in this Guarantee and in all instruments then outstanding from time to time occurs and no further Instruments can be issued under the Programme. A certified copy of this Guarantee may be obtained by the Commissioner and any Holder of an Instrument or any Relevant Account Holder from the Issue and Paying Agent at its specified office at the expense of such Holder or Relevant Account Holder. Any Holder of an Instrument or Relevant Account Holder may protect and enforce his rights under this Guarantee (in the courts specified in Clause 13 below) upon the basis described in the Deed of Covenant (in the case of a Relevant Account Holder) and a copy of this Guarantee certified as being a true copy by a duly authorised

officer of the Issue and Paying Agent without the need for production in any court of the actual records described in the Deed of Covenant or this Guarantee. Any such certification shall be binding, except in the case of manifest error or as may be ordered by any court of competent jurisdiction, upon the Guarantor and all Holders of instruments and Relevant Account Holders. This Clause shall not limit any right of any Holder of an Instrument or Relevant Account Holder to the production of the originals of such records or documents or this Guarantee in evidence.

7. CONTRACTUAL CURRENCY

If any sum due from the Guarantor under this Deed of Guarantee or any order or judgment given or made in relation thereto has to be converted from the currency (the “**first currency**”) in which the same is payable under this Deed of Guarantee or such order or judgment into another currency (the “**second currency**”) for the purpose of (a) making or filing a claim or proof against the Guarantor, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgement given or made in relation to this Deed of Guarantee, the Guarantor shall indemnify each Holder of an Instrument and each Relevant Account Holder on demand against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Holder of an Instrument or each Relevant Account Holder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Guarantor and shall give rise to a separate and independent course of action.

8. TERMS AND CONDITIONS OF THE INSTRUMENTS

The Guarantor hereby undertakes to comply with and be bound by those provisions of the Conditions which relate to it or which are expressed to relate to it.

9. BENEFIT OF GUARANTEE

- 9.1 This Guarantee shall take effect as a deed poll for the benefit of the Holders of the Instruments and the Relevant Account Holders from time to time.
- 9.2 The obligations expressed to be assumed by the Guarantor herein shall enure for the benefit of each Holder of an Instrument and Relevant Account Holder, and each Holder of an Instrument and each Relevant Account Holder shall be entitled severally to enforce such obligations against the Guarantor.
- 9.3 The Guarantor may not assign or transfer all or any of its rights, benefits or obligations hereunder.
- 9.4 Any Instruments issued under the Programme on or after the date of this Guarantee shall have the benefit of this Guarantee but shall not have the benefit of any subsequent deed of guarantee relating to the Programme (unless expressly so provided in any such subsequent deed).

10. PARTIAL INVALIDITY

If at any time any provision hereof is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions hereof nor the legality, validity or enforceability of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby.

11. MODIFICATION

This Guarantee may be modified by the Guarantor in respect of the Instruments of any Series with the sanction of a resolution of the General Meeting of the Syndicate of Holders of the Instruments of such Series.

12. NOTICES

12.1 All communications to the Guarantor hereunder shall be made in writing (by letter, telex or fax) and shall be sent to the Guarantor at:

Address: Gran Vía, 28
28013 Madrid

13. LAW AND JURISDICTION

13.1 This Guarantee and all matters arising from or connected with it are governed by, and shall be construed in accordance with, English law. The status of this Guarantee is governed by Spanish Law.

13.2 The courts of England have exclusive jurisdiction to settle any dispute (a “Dispute”), arising from or connected with this Guarantee (including a dispute regarding the existence, validity or termination of this Guarantee) or the consequences of its nullity.

13.3 The parties agree that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that they will not argue to the contrary.

13.4 Clause 13.2 is for the benefit of the Holders of the Instruments and the Relevant Account Holders only. As a result, nothing in this Clause 13 prevents the Holders of the Instruments or the Relevant Account Holders from taking proceedings relating to a Dispute (“Proceedings”) in any other courts with jurisdiction. To the extent allowed by law, the Holders of the Instruments and the Relevant Account Holders may take concurrent Proceedings in any number of jurisdictions.

13.5 The Guarantor agrees that the documents which start any Proceedings and any other documents required to be served in relation to those Proceedings may be served on it by being delivered to Clifford Chance Secretaries Limited, 10 Upper Bank Street, London E14 5JJ or, if different, its registered office for the time being or at any address of the Guarantor in Great Britain at which process may be served on it in accordance with Part XXIII of the Companies Act 1985. If such person is not or ceases to be effectively appointed to accept service of process on behalf of the Guarantor, the Guarantor shall, on the written demand of any Holder of an Instrument or Relevant Account Holder addressed and delivered to the Guarantor appoint a further person in England to accept service of process on its behalf and, failing such appointment within 15 days, any Holder of an Instrument or Relevant Account Holder shall be entitled to appoint such a person by written notice addressed to the Guarantor and delivered to the Guarantor or to the specified office of the Issue and Paying Agent. Nothing in this paragraph shall affect the right of any Holder of an Instrument or Relevant Account Holder to serve process in any other manner permitted by law. This clause applies to Proceedings in England and to Proceedings elsewhere.

IN WITNESS whereof this Guarantee has been executed as a deed by the Guarantor and is intended to be and is hereby delivered on the date first above written.

TELEFÓNICA, S.A.

Introduction

Telefónica S.A. was incorporated in Spain on 19 April 1924 as a company with limited liability (*sociedad anónima*) under the *Ley de Sociedades Anónimas* (Spanish Companies law) existing under the laws of the Kingdom of Spain and is registered with the commercial Registry in Madrid under registration 1(a) on page 5,083, folio 122 of the Register of Companies, Volume 152. Telefónica's registered office and head office is located at Gran Vía, 28, 28013 Madrid, Spain.

We are:

- a diversified telecommunications group which provides a comprehensive range of services, mainly in Spain and 13 countries in Latin America, through one of the world's largest and most modern telecommunications networks;
- mainly focused on providing fixed and mobile telephony services and using broadband as a means to develop each of these businesses; and
- expanding our presence in Europe, following our acquisition of the entire share capital of O2 in April 2006 and our acquisition of a majority stake in Cesky in June 2005.

In 2005, we reorganised the structure of our business lines to reflect the Group's new multinational scope and the integration of new businesses that we have recently acquired. The objectives of this new structure are to: (i) seek to take advantage of newly-created opportunities for synergies among our businesses; (ii) continue to transform Telefónica into a customer-service oriented company with a special focus on delivering high quality customer service and innovation; and (iii) continue developing and offering integrated telecommunications solutions to each customer segment.

Main lines of business

In 2005, our principal business lines were:

- Telefónica de España: fixed line telephony in Spain;
- Telefónica Móviles: mobile telephony in Spain and Latin America;
- Telefónica Latinoamérica: fixed line telephony in Latin America;
- Cesky Group: integrated telecommunications services in the Czech Republic;
- Telefónica de Contenidos: audio-visual media and content in Europe and Latin America;
- Directories Business: publication, development and sale of advertising for telephone directories in Europe and Latin America; and
- Atento: call centers in Europe, Latin America and North Africa.

In order to integrate O2 into the Telefónica Group, in 2006 we expect to add a new business line that will be principally comprised of O2 and will also include Cesky and Telefónica Deutschland. All other subsidiaries that are not part of our core business lines, including Telefónica Publicidad e Información, S.A., Endemol Entertainment Holding N.V., Telefónica de Contenidos, S.A. and Telefónica Servicios Audiovisuales will be managed by our Director of Affiliates. In the second quarter of 2006 Telefónica announced the possible sale of its holding in the share capital of TPI. See "Directories Business-Telephone Directory Business in Europe and Latin America".

In addition, on 29 March 2006, our Board of Directors approved a merger plan for the acquisition of Telefónica Móviles, S.A. by Telefónica, S.A. The Board of Directors of Telefónica Móviles also approved the merger plan. The merger was approved by our shareholders and the shareholders of Telefónica Móviles on 21 June and 20 June 2006, respectively.

On 28 April 2006 we announced the possible sale of our holding in the share capital of TPI within the framework of a tender offer for all shares by Yell Group plc. On 22 June 2006, CNMV approved the prospectus relating to the offer.

Telefónica, S.A., the parent company of the Telefónica Group, also operates as a holding company with the following objectives:

- coordinate the group's activities;
- allocate resources efficiently among the group;

- provide managerial guidelines for the group;
- manage the portfolio of businesses;
- provide cohesion within the group; and
- foster synergies among the group's subsidiaries.

Our principal executive offices are located at Gran Vía, 28, 28013 Madrid, Spain, and our telephone number is (34) 91-584-03-06.

In November 2005, we sold a 25% interest in Endemol N.V. through a public offering outside of the United States for an aggregate amount of approximately €281.25 million. Endemol N.V. shares are currently listed on Euronext Amsterdam.

Endemol has a very strong international network built by a combination of start-ups, acquisitions and joint ventures, with operations in 23 countries around the world.

Telefónica de Contenidos controls ATCO, a holding company that owns of Telefé, a television company in Argentina. Telefé owns a leading free-to-air television channel in Argentina in terms of audience and a broadcasting producer.

We hold a minority stake in Sogecable, a satellite pay TV company with operations in analog pay TV (until November 2005), thematic channels, film production and distribution. Sogecable was created in 2003 as a result of the integration of the two then existing satellite digital television platforms in Spain. The other shareholders in Sogecable are Grupo Prisa and Vivendi Universal, with whom Telefónica de Contenidos signed an agreement providing for equal corporate governance rights among the three parties.

Following the integration of the two platforms in July 2003, Sogecable, launched commercial advertisements under the brand "Digital+". At 31 December 2005, Sogecable had 1.96 million subscribers. In November 2005, Sogecable launched "Cuatro", a new free-to-air television station, after the Spanish government's approval of the modification of the "Canal+" license, removing the restrictions on the number of hours of open broadcasting. Since that time, "Canal+", the premium pay-tv channel, is only available on "Digital+".

In March 2006, we sold shares representing a 6.57% stake in Sogecable to Prisa in connection with their tender offer for shares of Sogecable. Following such sale and the consummation of Prisa's tender offer, we held a 17.3% stake in Sogecable, while Prisa held a 44.5% stake.

In March 2006, Sogecable's shareholders approved a capital increase in exchange for shares of its affiliate, Canal Satellite Digital, S.L. not owned by Sogecable. As a result of such capital increase, our stake in Sogecable was diluted to 16.84% .

Through Telefónica Servicios Audiovisuales, we offer audiovisual transmission services, production services and systems integration services to the audiovisual industry. Telefónica de Contenidos also holds a 13.2% interest in Hispasat, a Spanish satellite communications system.

Directories Business-Telephone Directory Business in Europe and Latin America

Telefónica Publicidad e Información (TPI) publishes, develops and sells advertising in telephone directories. In addition to printed directories, it offers directories online and in telephone-based format. TPI has operations in Spain, Brazil, Chile and Peru. In addition, Telinver is the Group's telephone directory subsidiary in Argentina. In 2005, we commenced offering telephone directory assistance in Italy.

At 31 December 2005, we held a 59.90% interest in TPI. On 28 February 2006, the Board of Directors of Telefónica resolved to explore strategic alternatives in relation to Telefónica's holding in the share capital of TPI, which operates our directories business, including a possible total or partial divestiture of its holdings in that company. Telefónica intends to explore such a sale with potential buyers.

On 28 April 2006, Telefónica announced the possible sale of its holding in the share capital of TPI within the framework of a tender offer for all shares by Yell Group plc ("Yell"). The price of the offer by Yell is €8.50 per share, giving a total price of €1,838 million for the 59.90% of TPI currently owned by Telefónica, with Telefónica receiving, in addition, €86.5 million in dividends prior to the sale.

Pursuant to the foregoing, Telefónica formalized an agreement with Yell pursuant to which Yell agreed to submit to the National Securities Market Commission (CNMV) the request for authorisation of a Public Tender Offer for all of the shares of TPI, and Telefónica agreed to accept the offer with respect to all of the shares of TPI that it owns.

Telefónica may be released from its commitment to accept this offer in the event that a competing public offer authorised by the CNMV offers consideration of more than 10% above the initial price of the Yell offer, i.e., greater than 9.35 euro per share, unless Yell decided to improve such offer. The offer is subject to obtaining the relevant administrative authorisations and the approval of the shareholders acting at the General Shareholders' Meeting of Yell.

The possible sale of Telefónica's holding in the share capital of TPI, within the framework of this offer, would imply for Telefónica the recording of capital gains net of tax in its consolidated financial statements for 2006 of 1,577 million euros.

On 22 June 2006 CNMV approved the prospectus relating to the Offer. According to the terms established in the prospectus, the period for acceptance is from 23 June 2006 to 24 July 2006, inclusive.

TPI will maintain the agreements with Telefónica de España referred to in the prospectus for its public offering.

O2

In order to integrate O2 into the Telefónica Group, in 2006 we expect to add a new business line that will be principally comprised of O2 and will also include Cesky and Telefónica Deutschland.

O2 is a leading provider of mobile communications services in Europe, with operations in the United Kingdom, Germany, Ireland and the Isle of Man. At 31 December 2005, O2 had approximately 27,419 thousand mobile customers, of which 39.8% were contract customers and 60.2% were prepaid customers. At that date, O2 had approximately 16,045 employees.

Legal and Arbitration Proceedings

Telefónica, S.A. and its group are party to several lawsuits which are currently in progress in the law courts and the arbitration courts of various countries in which the Telefónica Group is present.

Based on the reports of counsel acting on the lawsuits of Telefónica it is reasonable to believe that the adverse outcome of any existing proceedings will not materially affect Telefónica Group's economic and financial position or solvency. The following is a summary of the principal proceedings affecting the Group as at the date hereof. Where amounts of damages cannot be assessed or provided, no such amounts are included below.

A proceeding contesting the resolutions adopted by our special stockholders' meeting held on 4 February 2000

The stockholder Javier Sotos García, who owns 300 shares in Telefónica, filed an action contesting the resolutions adopted by the Special Stockholders' Meeting on 4 February 2000, based on the purported contravention of the rules governing the holding of the Meeting and on the purported contravention of the rules for disapplication of preemptive rights of subscription for capital increases.

The court of first instance issued a judgment dismissing the complaint filed by the plaintiff stockholder.

An appeal was filed by Mr. Sotos at the Madrid Provincial Appellate Court which was dismissed. As a consequence of this, Mr. Sotos filed an appeal before the High Court against the judgment of the Madrid Provincial Appellate Court which was dismissed. Mr. Sotos then filed an appeal before the High Court which was also dismissed. The High Court's decision has effectively terminated these proceedings.

A proceeding contesting certain resolutions adopted by our annual Stockholders' Meeting held on 15 June 2001

Mr. Sotos also filed an action contesting certain resolutions adopted at our annual Stockholders' Meeting, held on 15 June 2001.

The action is based, among other things, on the purported infringement of the stockholder's right to information and on the purported contravention of the rules for disapplying preemptive rights in capital increases.

On 23 January 2004, we were notified that the proceeding had been stayed until such time as any of the parties applied for its resumption or termination by lapse of time.

On 23 January 2006, the proceeding was terminated due to lapse of time.

Sistemas e Instalaciones de Telecomunicación, S.A.U. (Sintel)

As a result of the voluntary bankruptcy proceeding conducted at Madrid Court of First Instance no. 42, case number 417/2001, which is the continuation of the petition for Chapter 11-type insolvency filed by the director of Sintel on 8 June 2000, the following criminal proceedings were commenced which might affect us:

"Abbreviated" proceeding no. 273/2001, in relation to which, on 24 September 2002, we and Telefónica de España, S.A. appeared before Central Court no. 1 in a criminal action against the directors of Sintel and Mastec Internacional, S.A., as parties suffering damages. They were charged with a punishable bankruptcy.

Preliminary proceeding no. 362/2002, commenced on 23 October 2002, by Central Court no. 1 for a possible extortion offence purportedly committed by the members of the Board of Telefónica S.A.. These proceedings were joined to the above no. 273/2001 proceedings. Once joined, on 22 April 2004, we were notified of a decision denying the filing of proceedings that we applied for on 6 June 2003, considering the Court the proceeding must continue. We must emphasize the fact that so far no charges have been brought against us.

On 29 June 2004, we were notified of an enlargement of this criminal suit by an alleged crime of bankruptcy punishable filed by the ex-employees of Sintel. On 4 July 2004 and 5 August 2004, Telefónica requested its rejection. At present the Judge has not resolved whether these shall be an enlargement of this criminal suit with an alleged crime of punishable bankruptcy.

Derivative of the Procedure of voluntary bankruptcy followed by the Court of First Instance nº 42 of Madrid (nº 417/2001), two penal procedures began affecting Telefónica, S.A., appearing in one of them like harmed and in the other as defendant. In this last case, as of today's date, there is no imputation against Telefónica S.A.

Collective lawsuits filed by stockholders of Terra in the U.S., in connection with the tender offer by us for Terra Networks, S.A.

On 29 May 2003, two class actions were filed with the Supreme Court of New York State by stockholders of Terra Networks, S.A. against us, Terra Networks, S.A. and certain former and current directors of Terra Networks, S.A.

These actions are based on the claim that the price offered by us to the stockholders of Terra Networks, S.A. was not in keeping with the intrinsic value of the shares of that company, and seeking to have the tender offer revoked or, in the alternative, to have damages awarded to them.

Since the filing of the complaints, these proceedings have remained inactive.

Appeal for judicial review no. 6461/03 filed at the National Appellate Court by the World Association of Stockholders of Terra Networks, S.A. (ACCTER) against the administrative decision made by the Spanish National Securities Market Commission (CNMV) to authorize the tender offer by us for Terra Networks, S.A. shares

ACCTER filed an appeal for judicial review against the decision of the CNMV to authorize the tender offer made to Terra Networks, S.A. stockholders on 19 June 2003.

We have filed an application, admitted for consideration, to appear in the proceeding as an intervening nonparty to defend the lawfulness of the decision of the CNMV.

On 8 March 2005, ACCTER filed an enlargement of its initial appeal as a consequence of the merger between Telefónica, S.A. and Terra Networks, S.A.

Telefónica, S.A. and the Government Legal Service have filed responses against this enlargement of ACCTER's initial appeal.

On 27 February 2006, we were notified that the National Appellate Court rejected this appeal and confirmed the CNMV's decision.

On 22 March 2006, we were notified that ACCTER filed an appeal before the High Court against National Appellate Court's decision.

ACCTER's appeal was dismissed and Mr. Fabian's one was dismissed, and, as a result, ACCTER and Mr. Fabian filed a joint appeal before the High Court. In April 2006, Telefónica S.A. was joined as a party on such appeal.

Class action lawsuit filed by a stockholder of Terra Networks in the U.S. in connection with the merger between Telefónica, S.A. and Terra Networks, S.A.

On 22 February 2005, a class action was filed in the Supreme Court of the State of New York in the county of Westchester by an owner of ADSs of Terra Networks, S.A. against Telefónica, S.A., Terra Networks, S.A. and certain former and current directors of Terra Networks, S.A. This action was based, among other things, on the claim that the price offered by Telefónica to the stockholders of Terra Networks, S.A. did not reflect the intrinsic value of the shares of Terra Networks, S.A.

On 28 April 2005, the Judge dismissed this claim.

A proceeding contesting certain resolutions adopted by the Annual Stockholders' Meeting of Terra Networks, S.A. on 2 June 2005

On 30 June 2005 ACCTER filed a complaint contesting the resolution approving a merger, adopted by Terra Networks, S.A. Annual Stockholders' Meeting held on 2 June 2005, based on the purported contravention of Article 60.4 of the Spanish Securities Market Law.

The proceedings have been served on Telefónica S.A., who on 21 December 2005 filed its response.

In a hearing held in May 2006, the Court dismissed the precautionary measures requested by the Plaintiffs. In such hearing both parties agreed that the purpose of the claim is only a legal question which does not require examination of evidence. As a consequence the case is waiting for judgment.

Three proceedings filed by JAZZ TELECOM, S.A.U. (JAZZTEL) against Telefónica de España

At the end of 2005, Jazztel had filed three lawsuits against Telefónica de España relating to the Local Loop Offer which was approved by the Telecommunications Market Commission.

In one of such lawsuits Jazztel has demanded damages allegedly caused by the delay of Telefónica de España in carrying out the agreements signed in relation to the Local Loop Offer for a global amount of €337,360,000. The local loop (also referred to as a subscriber line) is the physical link or circuit, that connects from the demarcation point of customer premises to the edge of the carrier, or telecommunications service provider, network. This lawsuit is being brought in the First Instance Court of Madrid N° 54. On 3 February 2006, Telefónica de España filed its reply. The trial was held in May 2006.

At the same time, Jazztel Plc, the holding Company of Jazztel, has filed another lawsuit against all members of the Telefónica, S.A. and Telefónica de España, S.A.U. Board of Directors based on the alleged breach of the Local Loop Offer by Telefónica de España. In such complaint Jazztel is demanding damages in the sum of €456,530,000. On 8 March 2006 Telefónica de España, S.A.U. filed its reply. This lawsuit is being brought in the Commercial Court of Madrid N° 1.

The final lawsuit filed by Jazztel is based on the alleged unfair competition on the part of Telefónica de España, S.A.U. with regards to the Local Loop Offer. Telefónica de España has filed a motion to dismiss these proceedings due to lack of jurisdiction. This lawsuit is being brought by the Commercial Court of Madrid N° 4.

A lawsuit filed by IBERDROLA against several companies of the Telefónica's Group in claim of the sum of €23.720.402.

This claim is based on the suspected breach by several companies of the Telefónica Group of their obligations under the agreement of electrical services provision executed between such companies and Iberdrola. Before the power crisis of 2005 and the increase of the price of electricity, Iberdrola has estimated that by virtue of such agreement it is entitled to increase the price of such services to be paid by the companies of the Telefónica Group. Most of the claim is against Telefónica of Spain, S.A.U. (for approximately €20 million) and Telefónica Móviles España S.A.U. (for €1.8 million).

Notice of the claim has been given to each Defendant, each of which is filing its reply.

A proceeding filed by Kargo, Inc., ACK Ventures Holdings, LLC y United Mobile Technologies, Llc. against Telefónica, S.A., Telefónica Móviles, S.A., Telefónica Móviles México, S.A. de C.V., Pegaso Telecomunicaciones S.A. de C.V. and Pegaso PCS, S.A. de C.V.

Kargo Inc. has made a claim for damages (actual, direct and consequential), punitive damages, payment of all costs related to judgement (including attorney's fees) and any other decision the Tribunal may deem appropriate.

On 14 December 2005 Telefónica successfully filed a motion in order to move the judgement to a Federal Court.

On 3 January 2006 the Defendants filed a new motion to dismiss this motion due to Telefónica's lack of personal jurisdiction with the State of New York, which has been replied to by the Plaintiffs.

On 17 March the Defendants filed a reply memorandum in support of the Defendant's motion to dismiss all counts of the complaint and request to reach summary judgement.

In May 2006, the court ordered the parties to engage in discovery, in order to identify witnesses and documents that they may rely upon to support their case. The Court's order specifies that it will hold the Defendant's motions for all claims after discovery is completed.

Regulatory Sanctions

The Telecommunications Market Commission and the Spanish Competition Court initiated sanctioning proceedings against Telefónica de España for its actions as a dominant operator.

The following resolutions have been imposed by the Telecommunications Market Commission and the Spanish Competition Court, which have been appealed before the relevant authorities:

Spanish Competition Court's resolution dated 8 March 2000

On 8 March 2000, the Spanish Competition Court imposed a fine on Telefónica de España amounting to €8,414,169.46 for violating Article 6 of the Spanish competition Law 16/89 (*Ley 16/*

89 de Defensa de la Competencia) and of Article 82 of the EC Treaty, finding it to have abused its dominant position by launching the advertising campaign “Planes Claros”.

On 22 September 2003, Telefónica de España filed a contentious-administrative appeal before the Spanish Court (“*Audiencia Nacional*”) against such resolution. This appeal was partially admitted on the grounds that the Spanish Competition Court’s resolution was contrary to the law regarding the proportionality of the sanction imposed, and reduced it to a fine of €901,518.16.

Telefónica de España, the State lawyer and the co-plaintiff, Retevisión, filed a final appeal before the Spanish Supreme Court (“*Recurso de Casación*”) against this judgment. Retevisión later withdrew its appeal.

At present, the date for proceedings to pass sentence is pending.

Telecommunications Market Commission’s resolution dated 23 July 2002

On 23 July 2002, the Telecommunication Market Commission imposed a fine amounting to €18 million on Telefónica de España for infringement of the “Closed User Group” regulation as interpreted by the Telecommunications Market Commission.

On 31 July 2002, Telefónica de España filed a contentious-administrative appeal to the Spanish Court (“*Audiencia Nacional*”) against this sanction.

On 8 July 2004, the Appeals Court notified Telefónica de España that it had dismissed its appeal. On 18 October 2004 Telefónica de España filed a final appeal (*Recurso de Casación*) against the Court’s decision before the Spanish Supreme Court.

Telecommunications Market Commission’s resolution dated 24 October 2002

On 24 October 2002, the Telecommunication Market Commission imposed a fine amounting to €13.5 million on Telefónica de España for breach of its obligations relating to voice capacity and data interconnection.

On 10 February 2003, Telefónica de España filed a contentious-administrative appeal to the Spanish Court (“*Audiencia Nacional*”) against this sanction. On 17 June 2005, the Appeals Court notified Telefónica de España that it had dismissed its appeal. On 24 October 2005 Telefónica de España filed its relevant final appeal (*Recurso de Casación*) against the Court’s decision.

Telecommunications Market Commission’s resolution dated 10 July 2003

On 10 July 2003 the Telecommunication Market Commission imposed a fine amounting to €8 million on Telefónica de España for infringement of Telecommunications Market Commission’s resolution relating to prices applied by Telefónica de España to Vic Telehome, S.A.

On 10 September 2003, Telefónica de España lodged a contentious-administrative appeal to the Spanish Court (“*Audiencia Nacional*”) against this fine. On 25 April 2006 the Appeals Court notified Telefónica de España that it has dismissed its appeal. Telefónica de España has filed a final appeal (*Recurso de Casación*) against the Court’s decision.

Spanish Competition Court’s resolution dated 1 April 2004

On 1 April 2004, the Spanish Competition Court imposed a fine amounting to €57 million on Telefónica de España for infringement of Article 6 of the Spanish competition Law 16/89 (*Ley 16/89 de Defensa de la Competencia*) and of Article 82 of the EC Treaty, finding that we had abused our dominant position by making the provision of certain supplementary services conditional to customers by the inexistence of carrier pre-selection and by launching unfair advertising campaigns that misled customers and denigrated competitors.

On 16 April 2004, Telefónica de España filed a contentious-administrative appeal to the Spanish Court (“*Audiencia Nacional*”) against this fine.

The Appeals Court has resolved to partially accept the suspension of the decision rendered by the Spanish Competition Court on 1 April 2004 and has specifically resolved to suspend our payment of the fine imposed on us by that court, amounting to €57 million until a final judgment is rendered.

At present, the date for proceedings to pass sentence is pending.

European Commission Statement of Objections dated 22 February 2006

On 22 February 2006, the European Commission sent Telefónica a Statement of objections, which initiates a formal proceeding against our Company.

In this Statement of Objections, the EC considers that Telefónica and its subsidiaries, Telefónica de España S.A.U., Telefónica Data de España S.A.U. and Terra Networks España S.A, could be abusing their dominant position, at least from 2001, in the form of a 'margin squeeze' in the Spanish broadband Internet access markets. The accusation is that the margin between the wholesale prices which Telefónica charges its competitors and the retail prices applied by Telefónica to end users are not sufficient to allow its competitors to compete in the retail broadband internet services in Spain.

In compliance with article 27.1 of Regulation nº 1/2003, on 19 May 2006, Telefonica responded to this Statement of Objections expressing its opinion with respect to the acts with which it is charged

On 12 and 13 June 2006 a Hearing before the EC was held. Telefónica verbally expressed each of its arguments and concluded there was no evidence to be declared by the EC to support an infringement of article 82 of the Treaty.

Taxation and Disclosure of Information in connection with payments

The information provided below does not purport to be a complete summary of tax law and practice currently applicable in the Kingdom of Spain and is subject to any changes in law that might take place after the date of this Base Prospectus and the interpretation and application thereof, which could be made with retroactive effect. On 17 March 2006, the Official Gazette of the Spanish Parliament published a proposal to amend the IIT (as defined below) law, the CIT (as defined below) law, the NRIT (as defined below) law and the Net Wealth Tax law. The final version of the law, if passed by the Spanish Parliament and the Spanish Senate, may affect the Spanish tax treatment of the Instruments. References in this section to holders include the Beneficial Owners of the Instruments. The statements regarding Spanish law and practice set forth below assume that the Instruments will be issued, and transfers thereof will be made, in accordance with the Paying Agency Agreement. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to acquire, hold or dispose of the Instruments, and does not purport to deal with the tax consequences applicable to all categories of investors, some of whom (such as dealers in securities) may be subject to special rules. Prospective investors who are in any doubts as to their position should consult with their own professional advisers.

The Kingdom of Spain

Introduction

This information has been prepared in accordance with the following Spanish tax legislation in force at the date of this Base Prospectus:

- (a) of general application, Additional Provision two of Law 13/1985, of 25 May on investment ratios, own funds and information obligations of financial intermediaries, as promulgated by Law 19/2003, of 4 July on legal rules governing foreign financial transactions and capital movements and various money laundering prevention measures, as well as Royal Decree 1778/2004, of 30 July establishing information obligations in relation to preferential holdings and other debt instruments and certain income obtained by individuals resident in the European Union and other tax rules;
- (b) for individuals with tax residency in Spain which are Individual income tax (IRPF) taxpayers, Royal Legislative Decree 3/2004, of 5 March promulgating the Consolidated Text of the Individual income tax Law, and Royal Decree 1775/2004, of 30 July promulgating the Individual income tax Regulations, along with Law 19/1991, of 6 June on Wealth Tax and Law 29/1987, of 18 December on Inheritance and Gift Tax;
- (c) for legal entities resident for tax purposes in Spain which are Corporate Income Tax taxpayers, Royal Legislative Decree 4/2004, of 5 March promulgating the Consolidated Text of the Corporate Income Tax Law, and Royal Decree 1777/2004, of 30 July promulgating the Corporate Income Tax Regulations; and
- (d) for individuals and entities who are not resident for tax purposes in Spain which are non-resident income tax taxpayers, Royal Legislative Decree 5/2004, of 5 March promulgating the Consolidated Text of the Non-Resident Income Tax Law, and Royal Decree 1776/2004, of 30 July promulgating the Non-Resident Income Tax Regulations, along with Law 19/1991, of 6 June on Wealth Tax and Law 29/1987, of 18 December on Inheritance and Gift Tax.

Whatever the nature and residence of the holder of Instruments, the acquisition and transfer of the Instruments will be exempt from indirect taxes in Spain, i.e. exempt from Capital Transfer Tax and Stamp Duty, in accordance with the Consolidated Text of such tax promulgated by Royal Legislative Decree 1/1993, of 24 September and exempt from Value Added Tax, in accordance with Law 37/1992, of 28 December regulating such tax.

1. Individuals with Tax Residency in Spain

1.1 Individual income tax (Impuesto sobre la Renta de las Personas Físicas)

Both payments of interest periodically received and income deriving from the transfer, redemption or repayment of the Instruments constitute a return on investment obtained from the transfer of own capital to third parties in accordance with the provisions of Section 23.2 of the Individual income tax Law, and must be included in the general portion of the investor's taxable income.

Both types of income are subject to a withholding on account at the rate of 15 per cent. (expected to increase to 18 per cent. on 1 January 2007).

If the period during which such income is generated exceeds two years a reduction of 40 per cent. will be applied, for the effect of both withholdings and inclusion in taxable income.

1.2 Wealth tax (*Impuesto sobre el Patrimonio*)

Individuals with tax residency in Spain under an obligation to pay Wealth Tax must take into account the amount of the Instruments which they hold as at 31 December in each year when calculating their wealth tax liabilities.

1.3 Inheritance and gift tax (*Impuesto sobre Sucesiones y Donaciones*)

Individuals with tax residency in Spain who acquire ownership or other rights over any Instruments by inheritance, gift or legacy will be subject to Inheritance and Gift Tax in accordance with the applicable regional or State rules.

2. Legal Entities with Tax Residency in Spain

2.1 Corporate Income Tax (*Impuesto sobre Sociedades*)

Both Payments of interest periodically received and income deriving from the transfer, redemption or repayment of the Instruments constitute a return on investments for tax purposes obtained from the transfer to third parties of own capital and must be included in profit and taxable income of legal entities with tax residency in Spain for Corporate Income Tax purposes in accordance with the rules for this tax.

In accordance with Section 59.s) of the Corporate Income Tax Regulations there is no obligation to make a withholding on income obtained by Spanish Corporate Income Tax taxpayers (which for the sake of clarity, include Spanish tax resident investment funds and Spanish tax resident pension funds) from financial assets traded on organised markets in OECD countries. In relation to Instruments which are listed on the Official List of the FSMA, this requirement will be satisfied. On 27 July 2004, the Directorate General for Taxation (*Dirección General de Tributos – “DGT”*) issued a reply to a non-binding consultation indicating that in the case of issues made by entities resident in Spain, as with the Issuer, the exemption requires that the Instruments be placed outside Spanish territory, in another OECD country. The Issuer and the Guarantor consider that the Instruments will fall within this exemption as the Instruments are to be placed outside Spain and in the international capital markets. Consequently, the Issuer will not make any withholding on payments to Spanish Corporate Income Tax taxpayers that provide the relevant information to qualify as such. If the Spanish tax authorities maintain a different opinion on this matter, however, the Issuer will be bound by that opinion and with immediate effect, shall make the appropriate withholding and the Issuer will not, as a result, be under any obligation to pay additional amounts.

In order to implement the exemption from withholding, the procedures set out in the Order of 22 December 1999 will be followed. No reduction percentage will be applied.

(Please see “Disclosure of Holder Information in Connection with Payments” below).

2.2 Wealth tax (*Impuesto sobre el Patrimonio*)

Legal entities are not subject to Wealth Tax.

2.3 Inheritance and gift tax (*Impuesto sobre Sucesiones y Donaciones*)

Legal entities with tax residency in Spain which acquire ownership or other rights over the Instruments by inheritance, gift or legacy are not subject to Inheritance and Gift Tax but must include the market value of the Instruments in their taxable income for Spanish Corporate Income Tax purposes.

3. Individuals and Legal Entities with no tax residency in Spain

3.1 Non-resident income tax (*Impuesto sobre la Renta de No Residentes*)

(a) With permanent establishment in Spain

Ownership of the Instruments by investors who are not resident for tax purposes in Spain will not in itself create the existence of a permanent establishment in Spain.

If the Instruments form part of the assets of a permanent establishment in Spain of a person or legal entity who is not resident in Spain for tax purposes, the legal rules applicable to income deriving from such Instruments are the same as those previously set out for Corporate Income Tax taxpayers.

(b) With no permanent establishment in Spain

Both Payments of interest periodically received and income deriving from the transfer, redemption or repayment of the Instruments, obtained by individuals or entities who have no tax residency in Spain, and which are Non-Resident Income Tax taxpayers with no permanent establishment in Spain, are exempt from such Non-Resident Income Tax on the same terms laid down for income from Public Debt.

This exemption is not applicable if the income is obtained through countries or territories classified as Tax Havens (as listed in Royal Decree 1080/1991, of 5 July), in which case such income will be subject to Non-Resident Income Tax in Spain at the rate of 15 per cent. (expected to increase to 18 per cent. on 1 January 2007) which the Issuer will withhold.

For these purposes it is necessary to comply with certain information obligations relating to the identity of the holders of Instruments, in the manner detailed under "Disclosure of holder information in connection with Payments" pursuant to section 12 of Royal Decree 2281/1998, as promulgated by Royal Decree 1778/2004. If these information obligations are not complied with the Issuer will apply a withholding of 15 per cent. and the Issuer will not be under any obligation to pay additional amounts (pursuant to Condition 8).

3.2 Wealth tax (*Impuesto sobre el Patrimonio*)

To the extent that income deriving from the Instruments is exempt from Non-Resident Income Tax, individuals who do not have tax residency in Spain who hold such Instruments will be exempt from Wealth Tax.

Furthermore, individuals resident in a country with which Spain has entered into a double tax treaty in relation to Wealth Tax will generally not be subject to Wealth Tax. If the provisions of the foregoing two paragraphs do not apply, individuals who are not tax residents in Spain will be subject to Wealth Tax to the extent that rights deriving from the Instruments can be exercised in Spanish territory.

Non-resident legal entities are not subject to Wealth Tax.

3.3 Inheritance and gift tax (*Impuesto sobre Sucesiones y Donaciones*)

Individuals who do not have tax residency in Spain who acquire ownership or other rights over the Instruments by inheritance, gift or legacy, and who reside in a country with which Spain has entered into a double tax treaty in relation to Inheritance Tax will be subject to the relevant double tax treaty.

If the provisions of the foregoing paragraph do not apply, such individuals will be subject to Inheritance and Gift Tax in accordance with the applicable regional and State legislation.

Non-resident entities which acquire ownership or other rights over the Instruments by inheritance, gift or legacy are not subject to inheritance and gift tax. They will be subject to Non-Resident Income Tax. If the entity is resident in a country with which Spain has entered into a double tax treaty, the provisions of the treaty will apply. In general, treaties provide for the taxation of this type of income in the country of residence of the beneficiary.

4. Tax Rules for payments made by the Guarantor

On the basis that payments of principal and interest made by the Guarantor under the Deed of Guarantee are characterised as an indemnity under Spanish law, such payments may be made free of withholding or deduction on account of any Spanish tax.

However, although there is no precedent or regulation on the matter, if the Spanish tax authorities take the view that the Guarantor has effectively assumed the obligations of the Issuer under the Instruments (whether contractually or by any other means) they may determine that Spanish tax rules apply to payments made by the Guarantor relating to interest on the Instruments. If such determination were made, payments by the Guarantor would be subject to the same tax rules as described above in relation to payments by the Issuer.

5. Tax Havens

Pursuant to Royal Decree 1080/1991, of 5 July the following are each considered to be a Tax Haven:

Principality of Andorra, Netherlands Antilles, Aruba, Kingdom of Bahrain, Sultanate of Brunei, Republic of Cyprus, United Arab Emirates, Gibraltar, Hong-Kong, The Island of Anguila, Islands of Antigua and Barbuda, The Bahamas, The Island of Barbados, The Bermuda Islands, Cayman Islands, The Cook Islands, The Republic of Dominica, Grenada, Fiji Islands,	Channel Islands (Jersey and Guernsey), Jamaica, Republic of Malta, Falkland Islands, Isle of Man, Marianas Islands, Mauritius, Montserrat, Republic of Nauru, Solomon Islands, Saint Vincent & the Grenadines, Saint Lucia, Sultanate of Oman, Republic of Panama, Republic of San Marino, Republic of Seychelles, Republic of Singapore. Republic of Trinidad and Tobago,	Turks and Caicos Islands, Republic of Vanuatu, British Virgin Islands, Virgin Islands (of the United States), Hashemite Kingdom of Jordan, Republic of Lebanon, Republic of Liberia, Principality of Liechtenstein, Grand Duchy of Luxembourg Area (as regards the income received by the Companies referred to in paragraph 1 of Protocol annexed Avoidance of Double Taxation Treaty, dated 3 June 1986), Macao, Principality of Monaco.
--	---	---

6. EU Savings Tax Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State; however, for a transitional period, Austria, Belgium and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35%. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

Also with effect from 1 July 2005, a number of non-EU countries, and certain dependent or associated territories of certain Member States, have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

7. Disclosure of holder information in connection with Payments

The Clearing Systems are currently in discussions to harmonise procedures relating to the reporting obligations required by Spanish laws and regulations. The following is a summary only and is subject to the Clearing Systems' final procedures and clarification from the Spanish tax authorities regarding such laws and regulations. Holders of Instruments must seek their own advice to ensure that they comply with all procedures to ensure the correct tax treatment of their Instruments. None of the Issuer, the Guarantor, the Arranger, the Dealers, the Paying Agents or the Clearing Systems assume any responsibility therefor.

7.1 Legal Entities with tax residency in Spain subject to Spanish Corporate Tax

In accordance with procedures established in the Issue and Paying Agency Agreement, the Issue and Paying Agent must receive a list of Holders that are Spanish Corporate Tax taxpayers specifying their name, address, Tax Identification Number, the ISIN code of the Instruments, the

number of Instruments held on each Interest Payment Date, the gross income and the amount withheld, substantially in the form set out below (see Annex III below).

7.2 *Individuals and Legal Entities with no tax residency in Spain*

The following is a summary of the reporting obligations set out in Section 12 of Royal Decree 2281/1998 ("Section 12"), as promulgated by Royal Decree 1778 2004:

Under sub-section 1 of Section 12, a return must be made to the Spanish tax authorities reporting the following information in relation to the Instruments:

- (a) the identity and country of residence of the recipient of the income. When the income is received on behalf of a third party, the identity and country of residence of that third party;
- (b) the amount of income received; and
- (c) details of the Instruments.

Under sub-section 3 of Section 12, for the purpose of preparing the return referred to in sub-section 1 of Section 12, the following documentation must be obtained upon each payment of income evidencing the identity and residency of each holder of Instruments:

- (a) if the non-resident holder of Instruments acts on its own account and is a central bank, other public institution or international organisation, a bank or credit institution or a financial entity, including collective investment institutions, pension funds and insurance entities, resident in an OECD country or in a country with which Spain has entered into a double tax treaty subject to a specific administrative registration or supervision scheme, the entity in question must certify its name and tax residency accordance with Annex I of the Order of 16 September 1991, promulgated pursuant to Royal Decree 1285/1991 of 2 August (see Annex I below), establishing the procedure for the payment of interest on Book Entry State Debt (as defined therein) to non-residents who invest in Spain without the intervention of a permanent establishment;
- (b) in the case of transactions in which any of the entities indicated in the foregoing paragraph (a) acts as intermediary, the entity in question must, in accordance with the information contained in its own records, certify the name and tax residency of each holder of Instruments in accordance with Annex II of the Order of 16 September 1991 (see Annex II below);
- (c) in the case of transactions which are channelled through a securities clearing and deposit entity recognised for these purposes by Spanish law or by that of another OECD member country, the entity in question must, in accordance with the information contained in its own records, certify the name and tax residency of each holder of Instruments in the manner laid down in Annex II of the Order of 16 September 1991 (see Annex II below);
- (d) in other cases, residency must be evidenced by submission of the residency certificate issued by the tax authorities of the State of residency of the holder of Instruments. These certificates will be valid for one year as from the date of issue.

In accordance with sub-section 4 of Section 12, for the purpose of implementing the exemption provided for, the following procedure must be followed: on each Interest Payment Date the Issuer must transfer the net Interest Amount to the entities referred to in paragraphs (a), (b) and (c) resulting from applying the general withholding rate (currently 15 per cent. (expected to increase to 18 per cent. on 1 January 2007)) to the whole of the Interest Amount. If the above certificates are received prior to expiry of the Interest Period, the Issuer will pay the amounts withheld to the extent that they correspond with the information provided.

In the case of both paragraph 7.1 and paragraph 7.2 above, in order for a beneficial owner to benefit from an applicable exemption from withholding, the above documentation must be received by the Issue and Paying Agent in accordance with the procedures established in the Issue and Paying Agency Agreement which may be inspected during normal business hours at the specified office of each Paying Agent).

If the Issue and Paying Agent does not receive the above certificates in respect of an eligible Holder by the Interest Payment Date, such holder may obtain a quick refund of the amount withheld by ensuring that the Issue and Paying Agent receives the relevant certificates no later than 10:00 am (CET) on the 10th calendar day of the month following the relevant Interest Payment Date (or if such date is not a Local Banking Day (as defined in the Issue and Paying Agency Agreement), the Local Banking Day immediately preceding such date) (the "Quick Refund Deadline").

Holders of Instruments entitled to a refund but in respect of whom the Issue and Paying Agent does not receive relevant documentation on or before a Quick Refund Deadline may seek a full refund of withholding tax directly from the Spanish tax authorities.

Instruments may be sold from time to time by the Issuer to any one or more of ABN AMRO Bank N.V., Banco Bilbao Vizcaya Argentaria, S.A., Banco Santander Central Hispano, S.A., Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Commerzbank Aktiengesellschaft, Credit Suisse Securities (Europe) Limited, Daiwa Securities SMBC Europe Limited, Deutsche Bank AG, London Branch, Dresdner Bank Aktiengesellschaft, JPMorgan Securities, Ltd., Goldman Sachs International, Lehman Brothers International (Europe), Merrill Lynch International, Morgan Stanley & Co. International Limited, Société Générale and UBS Limited (the “Dealers”). Instruments may also be sold by the Issuer direct to institutions who are not Dealers. The arrangements under which Instruments may from time to time be agreed to be sold by the Issuer to, and purchased by, Dealers are set out in an amended and restated dealership agreement dated 5 July 2006 (as amended, supplemented, restated or replaced from time to time, the “Dealership Agreement”) and made between the Issuer, the Guarantor and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Instruments, the price at which such Instruments will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such purchase. The Dealership Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Instruments.

United States of America: *Regulation S; Category 2; TEFRA D, unless TEFRA C is specified as applicable in the relevant Final Terms;*

Instruments have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

Instruments in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. tax regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Dealership Agreement, it will not offer, sell or deliver Instruments, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Instruments comprising the relevant Tranche, as certified to the Issue and Paying Agent or the Issuer by such Dealer (or, in the case of a sale of a Tranche of Instruments to or through more than one Dealer, by each of such Dealers as to Instruments of such Tranche purchased by or through it, in which case the Issue and Paying Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to or for the account or benefit of U.S. persons, and such Dealer will have sent to each dealer to which it sells Instruments during the distribution compliance period relating thereto a confirmation or other notice setting forth the restrictions on offers and sales of the Instruments within the United States or to or for the account or benefit of U.S. persons.

In addition, until 40 days after the commencement of the offering of Instruments comprising any Tranche, any offer or sale of Instruments within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

United Kingdom

In relation to each Tranche of Instruments, each Dealer subscribing for or purchasing such Instruments has represented to and agreed with, or will represent to and agree with, the Issuer, the Guarantor and each other such Dealer (if any) that:

- (a) **No deposit-taking:** in relation to any Instruments having a maturity of less than one year from the date of their issue:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold and will not offer or sell any Instruments other than to persons:

- (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
- (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Instruments would otherwise constitute a contravention of section 19 of the FSMA by the Issuer;

- (b) **Financial promotion:** it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Instruments in circumstances in which section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and
- (c) **General compliance:** it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Instruments in, from or otherwise involving the United Kingdom.

Japan

The Instruments have not been and will not be registered under the Securities and Exchange Law of Japan and, accordingly, each Dealer has undertaken that it will not offer or sell any Instruments directly or indirectly, in Japan or to, or for the benefit of, any Japanese Person or to others for reoffering or resale, directly or indirectly in Japan or to any Japanese Person except under circumstances which will result in compliance with all applicable laws, regulations and guidelines promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time. For the purposes of this paragraph, “**Japanese Person**” shall mean any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

The Kingdom of Spain

Each Dealer has represented and agreed that the Instruments may not be sold, offered or distributed in Spain in circumstances which constitute a public offer of securities in Spain within the meaning of Spanish Securities Market Law and further relevant legislation unless such sale, offer or distribution is made in compliance with the provisions of the Spanish Securities Market Law and any other applicable legislation. No publicity or marketing of any kind shall be made in Spain in relation to the Instruments.

General

Other than with respect to the listing of, the admission to listing, trading and/or quotation of the Instruments by such one or more listing authorities, stock exchanges and/or quotation systems as may be applicable, no action has been or will be taken in any country or jurisdiction by the Issuer or the Dealers that would permit a public offering of Instruments, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands the Base Prospectus or any Final Terms comes are required by the Issuer, the Guarantor and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Instruments or have in their possession or distribute such offering material, in all cases at their own expense.

The Dealership Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change(s) or change(s) in official interpretation, after the date hereof, in applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the paragraph headed “General” above.

Selling restrictions may be supplemented or modified with the agreement of the Issuer and the Guarantor. Any such supplement or modification will be set out in the relevant Final Terms (in the case of a supplement or modification relevant only to a particular Tranche of Instruments) or (in any other case) in a supplement to this document.
