3. THE CITY OF VERONA

Known as "The city of Romeo and Juliet", Verona is among the top 10 most visited Italian cities.

Located at only 30km from Lake Garda, Mount Baldo range and Lessinia Natural Park, Verona is the perfect location for an active and cultural holiday.

Verona is a splendid city of art, surrounded by the traces of its ancient history, splendid in its mythical dimension bestowed upon it by the Shakespearean tragedy of Romeo and Juliet.

Roman ruins, medieval vestiges, Venetian and Austrian traces can be seen across the city, as well as antique palaces, squares, bridges and wonderful churches.

Elegant cafés and ancient osterie (typical inns of the Veneto territory), craftsman shops and high couture shops enliven city life all year long. Verona is a man-sized city which fascinates visitors with its elegance and its welcoming atmosphere, in which ancient and modern times meet.

The city's past centuries of history and its past splendour are witnessed by its architectural and artistic masterpieces; its culture and art are well renowned on a national and international level. For this reason, in the year 2000 Verona was recognized as a UNESCO World Heritage Site.
