1. LEGAL GUIDELINES

THESE GUIDELINES MUST BE PROVIDED TO REQUESTERS. WHENEVER THE UN75 LOGO IS UPLOADED ON THE INTERNET, THESE GUIDELINES MUST BE UPLOADED ON THE SAME PAGE.

I. INTRODUCTION

The official logo for the 75th Anniversary of the United Nations (see above, hereinafter referred to as the “UN75 Logo”) has been created by the UN for use with activities and programmes which commemorate the 75th anniversary of the Organization. In addition to educational and/or public outreach activities, the United Nations will launch a series of dialogues around the world on how to build a truly global partnership to realize our shared aspirations for a just, peaceful and sustainable future. All such activities are to be branded with the UN75 Logo.

These guidelines are meant to enable information sharing, engagement, and collaboration and address the two versions of the official logo for the 75th Anniversary of the United Nations:

- **UN75 Logo with the UN Emblem**, which displays the United Nations emblem to the left of the UN75 Logo (see page 16); and
- **UN75 Logo without the UN Emblem**, which only contains the UN75 Logo and does not display the United Nations emblem (see page 16).

The UN75 Logo with the UN Emblem may only be used by:

- United Nations offices, Funds, Programmes and other subsidiary organs and organizations of the United Nations System.
- Member States, Observer States, and inter-governmental organizations when engaging in activities to support, promote and/or raise awareness about the 75th Anniversary of the United Nations. Such permitted use, however, does not include the right to authorize third parties to use the UN75 Logo with or without the UN Emblem.

The UN75 Logo without the UN Emblem is for use by entities other than those referred to above.

The use of both versions of the UN75 Logo (with and without the UN emblem) is subject to the terms set forth in the present guidelines. The UN75 Logo should be used only in its entirety and in the exact form as set forth herein, and should be reproduced only in its official colours and in accordance with the design specifications set forth below.

The phrase “**Shaping Our Future Together**” is part of the UN75 Logo and must not be omitted when reproducing the UN75 Logo.

II. USE OF THE UN75 LOGO WITHOUT THE UN EMBLEM BY ENTITIES OUTSIDE OF THE UN SYSTEM AND BY NON-MEMBER STATES

1. General Information

Entities outside of the United Nations System and non-Member States, including not-for-profit organizations and private sector entities, may use the UN75 Logo in accordance with the requirements set out below.

When being displayed with your entity’s logo, the UN75 Logo should be used adjacent to such text as “in support of”, “in observance of”, “a project of the [name of entity that uses the Logo] in honour of the United Nations’ Seventy Fifth Anniversary” or “Join Us in Support of the Seventy Fifth Anniversary of the United Nations”. The identity of the entity using the UN75 Logo should be clear.

The UN75 Logo may not be displayed side-by-side with your entity’s logo without the above accompanying text (see page 17).

The integration or combination of any element of the UN75 Logo into a separate logo design is prohibited.

2. Permitted Uses

The UN75 Logo may be used for informational purposes in order to show support for the 75th Anniversary of the United Nations, subject to the conditions set out below.

INFORMATIONAL PURPOSES

Informational uses are those that are primarily illustrative, non-commercial, and not intended to raise funds. The UN75 Logo without the UN Emblem may be used for such informational purposes, and its use does not require prior permission from the United Nations.

III. USE OF THE UN75 LOGO WITH THE UN EMBLEM

1. By UN Entities and Organizations

Subject to their respective mandates, rules and policies, United Nations offices, Funds and Programmes and other subsidiary organs and organizations of the United Nations System can use the UN75 Logo with the UN Emblem without obtaining prior approval from the UN Department of Global Communications, except for when uses other than those described in these guidelines are being requested.

If the UN Fund or Programme or another subsidiary organ or organization of the United Nations System has its own specific logo, the latter should be displayed side by side with the UN75 Logo (see page 17). The UN75 Logo may be used for either (i) informational or (ii) fundraising purposes in order to show support for the 75th Anniversary of the United Nations, subject to the specific conditions set out below.

INFORMATIONAL PURPOSES

Informational uses are those that are primarily illustrative, non-commercial, and not intended to raise funds. The UN75 Logo with the UN Emblem may be used for such informational purposes, and its use does not require prior permission from the United Nations.

FUNDRAISING PURPOSES

Fundraising uses are those that are intended to raise resources to cover the costs of activities¹ in support of the United Nations 75th Anniversary by UN Entities and Organizations. The UN75 Logo with the UN Emblem may be used for such fundraising purposes.

UN75 Logo with the UN Emblem must be used in its entirety for fundraising purposes. Pairing the entity's logo with the UN75 Logo is subject to requirements listed above.

2. By Member States

Member States, including subdivisions and agencies of their respective governments, may use the UN75 Logo with the UN Emblem in activities organized to

support, promote and/or to raise awareness for the 75th Anniversary of the United Nations. This authorization, however, does not include the right to authorize third parties to use the UN75 Logo with the UN Emblem. While no prior approval is required for such usage, information about the activities to be associated with the use of the UN75 Logo and how the UN75 Logo is used must be sent to the Director, Outreach Division, United Nations Department of Global Communications, New York, NY 10017 ([email: un75permissions@un.org](mailto:un75permissions@un.org)).

3. Use of the UN75 Logo in Postal Stamps

The use of the UN75 Logo in postal stamps is subject to the conditions set forth in Section 3, page 26 of the present Guidelines. Only the Postage Stamp Designs set forth on page 26 may be used on stamps.

IV. DURATION OF PERMITTED USE OF THE UN75 LOGO

Unless otherwise expressly authorized in writing, the use of the UN75 Logo should in all cases cease by 31 December 2020.

V. LIABILITY

The United Nations does not assume any responsibility or liability for the activities of your entity, related to the use of the UN75 Logo.

VI. DISCLAIMER

- The use of the UN75 Logo by an entity does not imply the endorsement by the United Nations of such entity, its products or services, or of any of its activities.
- The UN75 Logo may not be used for self-promotional purposes or to obtain any financial gain. Any fundraising use must only be undertaken within the limits of these guidelines and only by UN entities and organizations.
- If an entity decides to translate the text of the UN75 Logo into non-UN official languages, the entity concerned, and not the United Nations, shall assume any responsibility or liability arising from the translation.

2. VISUAL IDENTITY GUIDELINES

LOGO RATIONALE

To mark its 75th anniversary in 2020, the UN75 campaign involves people coming together to discuss how to collectively navigate the gap between the future we need and where the world is heading, if current trends continue.

An arrow is integrated with the numerals 75, to convey a global movement that is about both the present and future.

The UN emblem embedded in a flag is a link to the United Nations' commitment to positive change for the future and now.
