

# UNIVERSITY *of* NORTH FLORIDA<sup>®</sup>

## *Commencement*

**Friday, August 2, 2024**

**UNF Arena**

*University of North Florida  
Jacksonville, Florida*

## **MISSION STATEMENT**

At the University of North Florida, we ignite a passion for learning and discovery through transformational education in a supportive environment that leads students to rewarding careers and lifelong success. Our beautiful campus is a hub for talent development, relevant research and community engagement, where we enrich lives and fuel the economic and overall prosperity of Northeast Florida and beyond.

## **VISION STATEMENT**

The University of North Florida will be the destination of choice for talent and for public and private investment.

## **VALUES**

Accountability, Integrity, Excellence, Civility, Culture of Care

## **STATEMENT OF UNITY**

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the University's core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF's unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.

## GREETINGS FROM THE PRESIDENT

---

Dear Graduates:

Congratulations! Your hard work has paid off, and I wish you the very best as you celebrate this special day with your fellow graduates, loved ones and the entire Osprey community.

Though it will take you only a few moments to walk across the Commencement stage, we know that you have spent countless hours working to achieve this exciting milestone. Earning a degree is life-changing and an accomplishment that opens the door to the next chapter of your life. You have earned your place in this graduating class, and we can't wait to see what the future holds for you.

As a new graduate, you will be joining a UNF alumni network of more than 100,000! I wish you abundant success and endless happiness and hope you will stay connected with your fellow Ospreys wherever your degree takes you. My heartfelt congratulations to each of you. Swoop!

Sincerely,

Moez Limayem, Ph.D.  
President

*President Moez Limayem*

## PRESIDENT'S CABINET

---

**Karen Patterson**, *Provost and Vice President of Academic and Student Affairs*  
**Scott Bennett**, *Vice President of Administration and Finance*  
**Heather Duncan**, *Vice President of Government Relations*  
**Paul Eason**, *Vice President of Strategy and Innovation*

**Mike Binder**  
**Jill Davis**  
**Jay Demetree**  
**John Gol**  
**Allison (Ali) Korman Shelton**  
**Christopher Lazzara**  
**Paul McElroy**  
**Steve Moore**

## TRADITIONS OF THE COMMENCEMENT CEREMONY

---

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities .....	White
Business .....	Light brown
Computer Science .....	Gold
Economics .....	Copper
Education .....	Light blue
Engineering .....	Orange
Fine Arts .....	Deep brown
Health .....	Sage
Law .....	Purple
Library Science .....	Lemon yellow
Medicine .....	Kelly green
Music .....	Pink
Nursing .....	Apricot
Philosophy .....	Dark blue
Public Administration .....	Peacock blue
Public Health .....	Salmon
Science .....	Golden yellow
Theology .....	Scarlet

## THE UNIVERSITY OF NORTH FLORIDA

---

The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper-division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of nearly 17,000 students enrolled in 68 undergraduate degrees with 81 areas of concentration, 45 master's degrees with 98 concentrations, and 6 doctoral degrees with 3 concentrations. It has nearly 600 faculty members and more than 1,100 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 4,300<sup>1</sup> bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction. The faculty's publications and other creative activities demonstrate a determination to

remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community.

The generosity of both corporate leaders and dedicated citizens through the UNF Foundation supports scholarships, fellowships and engaging activities on campus and in the community.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact with the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs. UNF's programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national disciplinary accreditation.

*1- Degrees are for the 2023-2024 Academic Year*

## 2024 SUMMER COMMENCEMENT CEREMONY

---

President Moez Limayem, Ph.D. Presiding  
Provost Karen Patterson, Ph.D., Chief Marshal

\*Student Processional ..... Pomp and Circumstance No. 1, *Edward Elgar*

College of Education and Human Services ..... Stephen Dittmore, Ph.D., *Dean*

Hicks Honors College ..... Peter (Scott) Brown, Ph.D., *Interim Dean*

#### 3:30 p.m. (*Graduate candidates*)

The Graduate School ..... Michele Moore, Ph.D., *Dean*

Brooks College of Health ..... Mei Zhao, Ph.D., *Interim Dean*

Coggin College of Business ..... Chung-Ping (Albert) Loh, Ph.D., *Interim Dean*

College of Computing, Engineering and Construction ..... William Klostermeyer, Ph.D., *Dean*

College of Arts and Sciences ..... Kaveri Subrahmanyam, Ph.D., *Dean*

College of Education and Human Services ..... Stephen Dittmore, Ph.D., *Dean*

Charge of the Graduates ..... President Moez Limayem, Ph.D.

## 2024 SUMMER COMMENCEMENT CEREMONY

---

*\*Please rise as the Processional begins and remain standing throughout the National Anthem.*

*\*\*Please refrain from applause until all degree candidates have been presented.*

*\*\*\*Please stand throughout the Recessional.*

### COMMENCEMENT PROTOCOL

This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.

---

## HONORARY DOCTOR OF SCIENCE

*The University of North Florida is pleased to present an honorary doctorate to a very special friend to UNF — Yolande Piazza, who currently serves on the Dean's Advisory Council for the College of Computing, Engineering and Construction.*

### **Yolande Piazza**

*Vice President, Financial Services, Google Cloud*

Yolande Piazza is a distinguished leader with over three decades of experience in technology and financial services. Before joining Google Cloud, Yolande spent 32 years at Citigroup. In her prior role she was the CEO of Citi FinTech, responsible for identifying and building new growth vectors for the Global Consumer Bank. She also led Citi's Consumer Innovation Labs and was COO for Global Consumer Banking Operations & Technology, CIO of Student Loans Corporation, and SVP of Online Applications and Services for Diners Club International (under the Citigroup brand).

Now at Google Cloud, Piazza leads the company's Financial Services Sales and Customer Engineering teams. She defines and creates new financial services cloud solutions for the market and helps Google Cloud's leading customers accelerate their digital transformation journeys to the cloud.

An advocate for women in technology, Piazza founded "Future Women in IT," a program which aims to inspire middle and high school female students to pursue careers in technology. The program has reached more than 50,000+ participants across the United States since its inception.

She serves on the Board of Directors at H&R Block, Capital G and others. She is a member of the UNF Dean's Advisory Council for the College of Computing, Engineering and Construction and shares her insight regularly at UNF events.

## SUMMER 2024 SENIOR SERVICE AWARD

---

*The University of North Florida Alumni Association recognizes a graduating senior each semester for outstanding service to the University and community through volunteerism. This year, the UNF Alumni Association has selected Ishmail Wise as the recipient of the Senior Service Award for the Summer 2024 graduating class.*

### Ishmail Wise

Ishmail Wise is graduating from the College of Arts and Sciences, earning a Bachelor of Science degree in communication with a concentration in public relations and a minor in film. Through his extensive involvement in the Jacksonville community, Wise has consistently displayed UNF's commitment to civic engagement and servant leadership. He has worked to promote youth literacy and combat food insecurity across the region and is a dedicated, compassionate leader.

Wise first became an Osprey in 2012 but paused his education in 2015 to relocate for a job. After the birth of his daughter Layla in 2017, he found the drive and motivation to make his education a priority once again and returned to Jacksonville. His decision to complete his degree shows that time is not a barrier to a transformational future.

Wise has worked with the Kappa Alpha Psi's Kappa League since high school, displaying natural leadership to become the president of the Kappa League. His volunteer work has been extensive, mentoring youth, helping with homework, teaching dance steps and providing transportation for children when needed. He has served as a dedicated role model, encouraging young men to strive for excellence in all areas of their lives, and his commitment and generosity continues to have a significant impact on many.

During his undergraduate studies, Wise served as the acting vice president of the Xi Lambda chapter of Kappa Alpha Psi Fraternity Inc., creating and participating in numerous service projects on and off campus. He assisted in Xi Lambda's summer pool party to collect donated books for community youth and inspire reading at an early age. Under Wise's leadership in summer 2024, the chapter garnered the most donated books in the chapter's history. The fraternity also contributed to the food pantry at River City Science Academy.

Aside from his outstanding work with his fraternity, Wise coordinated a partnership between the UNF School of Communication and the Clara White Mission Food Pantry, working with its offshoot program, Eartha's Farm and Market, to create a documentary about fresh food options in Northwest Jacksonville.

He also volunteered with the Florida House of Representatives, working under State Rep. Angie Nixon and alongside Feeding Northeast Florida to deliver leftover food from Farm Shares to families facing food insecurity. Rep. Nixon described Wise's contributions as "nothing short of remarkable."

Wise is a dedicated father who has volunteered at his daughter's school dances and the PTA, while also assisting with the school's food pantry to help families in need. He also has volunteered for Promise Land Academy, JAX Gents Inc. and more.

As Wise achieves this major milestone in his academic journey and his life, we are confident he will continue to soar higher as a UNF alumnus. He has a passion for preparing the next generation of young men and women for a bright future, leading by example through his service to others. Wise is a genuine, reliable and driven changemaker capable of transforming the lives of others through both big and small acts of kindness. We are proud to call him an Osprey alumnus.

Interpreting .....	Alonzo Interpreting

## CONGRATULATIONS ON YOUR COMMENCEMENT!

---

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments, and we're proud to welcome you as a new member of the UNF Alumni Association!

You join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at [www.unf.edu/alumni](http://www.unf.edu/alumni). While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and an important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

*Stay connected ... and keep on swooping!*

## UNF ALMA MATER

*Music adapted by Dr. William C. Moffit*

*Words by Dr. Merrill J. Palmer*

---

### VERSE:

We recall those days of gladness,  
Nestled midst the lakes and pine,  
Where we sought the gift of knowledge,  
Alma Mater, pride of mine.

### REFRAIN:

Sing her glory and her praises,  
Let them ring from sea to sea!  
North Florida we proudly honor,  
U-N-F, all hail to thee.

### VERSE:

Near the shores of the Atlantic,  
Where the Osprey soars on high,  
Stands our Alma Mater strong and true,  
With her colors gray and blue.

REPEAT REFRAIN
