Subject: Statement on special Saturday Board of Regents meeting

Dear Campus Community,

As you may be aware, the special UW Board of Regents meeting held this morning did not result in passage of the resolution which would have allowed our pay plan and other pending legislation to move forward.

I want you to know that I am committed to continuing my advocacy for a positive and prompt resolution to this situation.

Here is the statement shared earlier today by UW President Jay Rothman, "On balance, I believe this proposed agreement was in the best interests of the Universities of Wisconsin. While I am disappointed, I respect the decision of the Board of Regents."

I will keep you posted as this situation evolves.

Sincerely,
Maria
