Specifications

Prime business phone to deliver optimum desktop productivity

7-inch  
Multi-touch  
Screen

Adjustable  
Screen

HD Audio

Built-in  
Bluetooth

Built-in  
Wi-Fi

The T57W is a powerful and expandable executive and professional office phone that delivers optimum desktop efficiency and productivity. Advanced features include: large 7-inch multi-point touch LCD screen; Bluetooth 4.2; dual band 2.4G/5G Wi-Fi; USB 2.0 port for call recording, wired/wireless USB headset or up to three EXP50 expansion modules.

## Key features and benefits

### Outstanding user experience

The T57W IP Phone features an adjustable 7-inch capacitive touch screen that you can readily adjust to a comfortable viewing angle according to your needs. In addition, a clearly defined set of menus which are easy to navigate through ensuring you an optimized interface for a smartphone-like user experience.

### HD audio

The T57W is coupled with the latest version of Yealink Optimal HD Voice technologies, including Yealink Acoustic Shield technology, which effectively eliminates background distractions and noises, and delivers crystal-clear voice, even in a noisy environment. Meanwhile, complying with the latest Hearing Aid Compatibility (HAC) regulations. Its Hearing Aid Compatibility (HAC)- compliant handset allows people with hearing loss to hear more clearly.

### High expandability

A built-in USB 2.0 port allows you to enjoy USB call recording via a USB flash drive. Via this USB port, you also can connect a wired/wireless USB headset without connecting EHS36 anymore, and connect up to 3 expansion modules EXP50, which can be programmed with up to 180 paperless DSS keys.
