1. Tariff Terms and Conditions

- 1.1 Vodafone’s Business General Terms and Conditions and General Fixed Services Schedule and Mobile Service Schedule of the Master Service Agreement (“**MSA**”) shall apply.
- 1.2 Where a product or service which a Customer uses has specific terms and conditions published on Vodafone’s website and/or other marketing material, those specific terms and conditions will also apply.
- 1.3 Vodafone may from time to time offer and publish promotions that modify this tariff document, and such modifications will apply for the stipulated time.
- 1.4 The minimum contractual period shall be three (3) months (**“Minimum Subscription”**). Cancellation of the Service prior to that time will result in applicable charges due and payable for the entire three-month Minimum Subscription period.
- 1.5 Vodafone may as per the Article 3.9 of the Retail Tariff instructions (RTI) offer up to 20% discount on the products or services from time to time on a permanent or promotional basis.

2. Service Description

- 2.1 Dedicated APNs are also known as Private or Corporate APN. These types of APNs are typically set up to terminate their traffic onto a Customer’s network. Once a corporate user has established a connection on the Dedicated APN, the mobile device will be able to exchange data with the customer’s corporate

network.

- 2.2 A Dedicated APN has a unique ID that identifies the traffic. An APN is assigned to each SIM card that belongs to a specific corporate, thus completely separating the private APN from other public APNs.
- 2.3 Authentication of the SIM card gets access through the APN, ensuring that only the Customer's own subscriptions can be used to send and receive data by that route.
