4 Wi-Fi Guarantee and Giga Wi-Fi Hub Unit

4.1 Wi-Fi Guarantee service is Vodafone Qatar's promise to Customers that they will have Wi-Fi coverage in every corner. It is supported by Giga Hub and is powered by Wi-Fi 6 technology. To achieve the Wi-Fi in every corner promise, the Customer must allow Vodafone Qatar to evaluate the Customer's house/ apartment and then recommend the number of Giga Hubs needed based on the Customer's home layout. Vodafone Qatar's technical team will then provide the customized requirement to the Customer at the time of installation. If the Customer does not want to take this recommendation, then Wi-Fi in every corner is not guaranteed².

4.2 Customers who require additional coverage will need to either get the Giga Wi-Fi hub as an add-on on following terms.

Add-On	Price
Giga Wi-Fi Hub Unit*	QR10 per unit per month Or QR 20 per unit per month x 12 months
Giga Wi-Fi Hub Unit for Essential plan	QR 25 per unit per month

4.3 If the Customer does not want to use an add-on the Customer can purchase the Giga Wi-Fi Hub as per the rate below

The device does not need to be returned.
- If the Customer subscribes to the Giga Hub QR 20 for 12 months but disconnects before 12 months, they will pay the prorated remaining price e.g., if the Customer leaves after 10 months, the Customer will need to pay remaining QR 20 x 2 months = QR 40 at the time of disconnection. The device does not need to be returned.
- If the Customer disconnects within the first month trial period described above, the Customer may at the time of disconnection return the Giga Wi-Fi Hub Unit to a VFQ store and no penalty shall be charged.

² Wi-Fi guarantee service means that there is a guarantee for the coverage around the house, but it does not mean that each corner of the house will get the same full speed the Customer subscribed to, as the signal tends to drop as you move away from the CPE. However, the signal coverage will ensure basic usage of devices.

- For the Free Mesh included with the GigaHome 2 Gbps plan and above, in case of disconnection before 12 months, customer need to return the Mesh to Vodafone, otherwise he will need to pay for 400QR/ Mesh. After 12 months, no need to return the Mesh or pay for it.
