Vodafone is introducing a promotional higher speed for the Endless Data included in the below mentioned Enterprise Go Business plans. The revision is as follows:

	Current Endless Speed	Promotion Endless Speed
Go Business 100	64 Kbps	2 Mbps
Go Business 100 India	64 Kbps	
Go Business 100 Local	64 Kbps	
Go Business 150 Plus	64 Kbps	
Go Business 150 Plus India	64 Kbps	
Go Business 150 Local	64 Kbps	

1. Customer will continue to enjoy 5G High speed internet as per their plan allowances. After the full speed data allowance is consumed the Endless Data bundle is activated.
2. Customers who are currently subscribing to these Plans during the Promotion Period can also avail the benefits until 11 April 2022.
3. On expiry of the Promotion the speed will revert to their current endless speeds as above.
4. Vodafone's Standard Mobile Postpaid Business Terms and Conditions apply.
